### AGENDA

June 18th, 2014 @7:00PM

Millbrae Park and Recreation Center

Conference Room "C"

#### **Introductions:**

#### **Approval of last month's meeting minutes**

#### **Old Business:**

- (Succession Planning – carried over from April) -- Positions Open: U6 coordinator
- Region Assessment Program application. Due to Area by 7/1. RC has filled it out—we qualify for Platinum again. Will need signatures from all executive board members.
- General board meeting will be set for 7/16, will be announced to everyone via email. A good way to get volunteers for opening day/snack bar/photo committees.
- Registration update.
  - As of early this week we are at 650 signups. Rose to provide a breakdown of divisions. We have a request to move up 2 U16G players (currently oversized) to U19.
  - E-sign issues. Affecting about 8-9 applicants. Will need to work on talking them through clearing or completing e-sign, as National is currently unable to clear them at their end. Also, 28 applicants with no payment – followup on these. National has asked to keep registrations open as long as possible.
  - Volunteer registration. All board members will need to be up-to-date in eAYSO! Only seeing 16 names so these need to be entered.

#### **New Business:**

- ACS Relay For Life. I've created a Millbrae AYSO team, will hand out info and will hope that you can sign up or find others to join our team on 7/26.
- Invoices for Mills game field time and storage shed have been generated by SMUHSD. Area wants us to book to early Nov for playoffs, we're currently set until 10/31.

#### **Reports:**

##### **RC (Sam Habash)**

- Training. Golden Gate Camp will have a focus on having regional board-specific training classes for registrar/intro to management. There is RC training scheduled for November of this year and January of next.
- Equipment ordering. Needed by 7/26. Meredith to assist. Status update? Should we inventory what's in the shed?
- Changed out locks on Taylor goals, as they were unsecured, using keys instead of combos. Also need to repair bolts on one of the goals.
- UK Soccer status (unchanged). Follow up with Trader Joe's for free water.

##### **RRA (Sherman Lam)**

- Referee feedback / upcoming courses
