FVAA Sports is a non-profit organization that is dedicated to provide our area children with opportunities to participate in recreational sports such as softball, baseball, football and cheerleading to enhance leadership, sportsmanship and teamwork skills. It serves approximately 2200 families and 4800 children's recreational sports needs.

As we strive to improve our youth sports programs, we plan to hold the 9th Annual FVAA "Swinging for Sports" Golf Challenge on Tuesday, May 13th, at 9 am at Crooked Creek Golf Course. We anticipate full participation with 100-120 players. In addition, we will have skill games, raffle items, and food. Proceeds for this event will benefit all FVAA sports programs.

We would like to invite you to be a part of this worthwhile event by doing one or all of the following:

- 1. Organize a team(s) to participate in the tournament (see enclosed flyer).**
- 2. Become one of our four-level sponsors.**

Advertise your business on either a hole or tee on the golf course. A sign will be posted on either a hole or tee with your name showing that your business supports our cause. Additionally, brochures will be distributed to all players listing those sponsors by sponsor level. As always, we encourage all participants to become patrons of our sponsors.

- 3. Donate an item to be given as a door prize.**

As many of our participants are avid sports fans, we hope to provide sports and dining treasures that no one can resist. If your organization directly lends itself to these items (green fees, game tickets, sports equipment or clothing, autographed items, shooting rounds, restaurant or equipment certificates, etc.), we would be most appreciative for its donation to this worthy cause. You may also contribute by funding the purchase of these items. "Goody Bag" items are also appreciated to make this a fun and memorable event for our participants.

If you choose to participate in our tournament or you should you have any questions, please contact me at the address or numbers listed above. All donations are tax-deductible. Thank you in advance for your generous support of our efforts to improve our youth sports program for our FVAA Sports children.

Sincerely,

Jeff Scott
