### **WHAT ARE GFL “ALL STARS”?**

All Star players are the stronger players from the GFL 8U, 10U and 12U regular season teams. These teams represent the GFL in games played against neighboring Little League teams. All Star Tournament play begins in late June, after the GFL regular season concludes.

### **WHO IS ELIGIBLE TO PLAY ALL STARS**

All GFL registered 8U, 10U and 12U players that have played at least 60% of the games in their division during the season are eligible to play on an All Star Team. Players that do not play in 60% of their games due to injury or medical disability must submit medical evidence of the injury or medical disability. The player can then be considered for selection to an All Star team.

### **COMMITMENT**

All-Star play does require a post season commitment from both the player and the parents. Everyone who is to be considered for an All Star team must understand this increased level of commitment. Without player/parent full cooperation, an All Star team’s chances of succeeding are reduced.

### **DURATION OF ALL STARS**

All players are expected to be available for the full schedule of practices and games starting as early as June 14, 2014 and tournament play can continue to as late as the end of July 2014.

### **PLAYING TIME**

Playing time during All Star games will be effected by many factors including a player’s strengths or weaknesses, the game situation, strength of the other team, game status, pitch count, etc.

### **NUMBER OF TOURNAMENTS**

Each All Star Team will play in three All Star Tournaments(the GFL home tournament and two other tournaments). If a team wants to play in additional Tournaments, the additional cost will be the sole responsibility of that teams Parents/Players.
