

Highland Baseball Club

PO Box 9342 Evansville IN 47724

Each year, Highland Baseball Club gives thousands of local youth the opportunity to play “America’s Favorite Pastime”. These children range in age from 4 to 14 and play on average 50-60 games per week at our facility on the corner of Campground Road and First Avenue on the North side of Evansville. Sponsoring a league, team or displaying a banner on the fences around the fields is a GREAT way to give your business high visibility and show a connection to our wonderful community. Our location affords your organization visibility to hundreds of passing cars each day or to the thousands of visitors to our fields during the season. Each year our facility hosts hundreds of parents, grandparents, friends, players and neighbors. All of which would without doubt appreciate your help in supporting our players by sponsoring a team, league or one of our beautiful ball fields. There are many ways you can help:
