North Glen Sports Club (NGSC), a non-profit Youth sports organization offering children an opportunity to grow and be active through sports. Our belief is cost should never be a reason a child cannot participate; so we strive to keep registration affordable. Much of our funding is through registration fees; sponsorships and donations help keep our costs down.

NGSC is a non-profit, *100% volunteer*, organization dedicated to providing softball and baseball to youths ages 4-19. All donations may be tax deductible; you will receive a letter confirming receipt of your sponsorship or donation with our Non-Profit Tax Identification Number.

NGSC is requesting your assistance in sponsoring a team or our organization for the upcoming spring 2015 season. Our program receives no financial support from Anne Arundel County or the State of Maryland. Sponsoring a team is a good investment in the community and your sponsorship will help cover general operating expenses such as field expenses, insurance fees, uniforms, balls, field equipment, trophies, and pictures. Sponsorships are available at the below levels, if you are unable to be a sponsor at this time please consider making a donation in a lesser amount to this worthwhile endeavor.
