

## FRIARSGATE BASKETBALL ASSOCIATION SPONSORSHIP/DONATIONS

Friarsgate Basketball Association (FBA) is proud to offer another fun-filled season for youth boys and girls (Ages 5-18) in the Irmo and surrounding communities. FBA is a non-profit organization run entirely by a volunteer staff of coaches, parents, and Board of Directors. We do not receive funding from the town, city, county, or state.

For more than 20 years, FBA has offered young people the opportunity to compete in a structured and supervised environment, with an emphasis on having fun, developing skills, learning teamwork, and good sportsmanship. Our season consists of evaluations and practices beginning in October/November; games begin in January through February; and playoffs are in mid-March. FBA's motto of "No Drugs, No Alcohol, No Tobacco" is taught to each player by our volunteer coaches, with an emphasis placed on the harm involved in using such substances.

In order to offer this rewarding program, FBA must charge \$60.00 per child to cover expenses such as: Insurance, Gym Rental, Scoreboards, T-Shirts, Printing, Referees, and Scorekeepers. End of the Season Playoffs/Tournaments for ages 9-18 require an additional fees. Each year, FBA offers scholarships to families.

Please help us continue to provide these scholarships to youth and cover expenses for this rewarding community serving program. With the generosity of your financial donation, we can continue to serve the youth of our community. Listed below are the various ways you can help. On behalf of the Board of Directors of FBA, we would like to express our sincere appreciation for your support.
