

Inglewood Pony Baseball 2015 Divisions

All ages are determined by the child's age on **April 30, 2015**

For example, if your child was born on May 1, 2005, his/her league age is considered to be 9 and in the Pinto Division. Again, whatever age your child is on April 30, 2015, will determine the child's league age and what division they will play in.

Tryouts are only to determine team placement. All children who register will play!
