Article I - Name

Name. This organization shall be known as St. Mary's Little League, hereinafter referred to as "SMLL".

Article II – Objective

Objective. The objective of SMLL is to give children in our community the opportunity to play baseball or softball; provide them with an outlet for healthy activity and training; and to develop traits that allow them to be the best version of themselves and active members of our community. SMLL will strive to instill in the children of the community the ideals of good sportsmanship, honesty, loyalty, courage, and respect for authority. This league was built by the community, for the community; and baseball and softball are the mechanisms for SMLL to develop well-rounded and confident individuals who will take the lessons they learn with them off the field and into the professional world.

Goal. To achieve this objective, SMLL will provide a supervised program under the Rules and Regulations of Little League® International. All directors, officers and members shall bear in mind that the attainment of exceptional athletic skill or winning games is secondary, whereas having fun, developing confidence, and fostering good sportsmanship is of prime importance.

501(c)(3) Compliance. In accordance with Section 501(c)(3) of the Federal Internal Revenue Code, SMLL shall operate exclusively as a non-profit organization providing a supervised program of competitive baseball and softball games. No part of the net earnings shall inure to the benefit of any profit shareholder or individual. SMLL shall not carry on propaganda, attempt to influence legislation, nor intervene in any political campaign on behalf of any candidate for public office.

Bylaws. The Articles of Incorporation, as approved by Little League® Headquarters, SMLL, and the State of Maryland, are the authority of these bylaws. These bylaws are binding to all SMLL activities and any divisions participating in Interleague play, which are governed by District 7 approved Interleague Policy and Procedures.

Article III - Membership

Eligibility. Any person sincerely interested in active participation to achieve the objective of SMLL, and meets the requirements in Section 2, may become a member.

Members. There shall be the following classes of members.

A. Player Members. Any boy or girl meeting the age requirements of Little League®, and who resides within the operational boundaries of SMLL, shall be eligible. This is a non-voting membership. As used hereinafter, the word "player" shall mean player member.

B. Regular Members. Adults age sixteen (16) years or older are eligible for regular membership by having a child registered as a player or by being directly involved as a volunteer administrator, manager, coach, or umpire.

Regular members have voting rights at General Meetings. As used hereinafter, the word "member" shall mean regular member.

Termination and Suspension. Players or members may be terminated or suspended with probable cause by a majority vote of a Board of Directors.

Conduct. All players, managers, coaches and members of SMLL shall be made aware of the Little League® Player Code of Conduct, Parent Code of Conduct, Coaches Code of Conduct and of the objective of SMLL, as specified in these bylaws. All players, managers, coaches, and members, when attending SMLL games, meetings, and other functions, are responsible for conducting themselves in a manner consistent with the objectives of SMLL. Any member who witnesses conduct by players, managers, coaches, or members, which is inconsistent with the objective of this league, is entitled to and responsible for reporting such conduct within seven (7) days of the incident as follows:

- A. **Player Conduct:** If a player shows conduct inconsistent with the Little League® Player Code of Conduct and/or the objectives of SMLL as specified in these bylaws, any member witness to the conduct shall report it to the Manager of the affected team, the Division Commissioner and the Division Player Agent in written form or email.

When a report of conduct inconsistent with the Little League® Codes of Conduct and/or the objectives of SMLL as specified in these bylaws is reported, the Board of Directors shall resolve the incident using appropriate disciplinary action as defined in Article III- Membership; Disciplinary Action.

Ejections, Unsportsmanlike Conduct and/or Violations of the Regulations and Rules. Any ejection of players, coaches or managers by an Umpire due to unsportsmanlike conduct and/or violations of the regulations and rules of the Little League® Codes of Conduct, Rulebook or SMLL Bylaws will lead to a review and possible further disciplinary action by the Board of Directors. Rule 4.07 from the Little League® Rulebook states that any manager, coach, or player ejected from a game must serve a minimum one game suspension.

Disciplinary Action. Any ejections, unsportsmanlike conduct and/or violations of the regulations and rules of the Little League® Rulebook, Codes of Conduct and SMLL Bylaws that are detrimental to the objectives of SMLL, either at the game site or any other Little League® activity, including through online or social media by players, managers, coaches or members, will require the Board of Directors to establish a disciplinary review committee to determine if more disciplinary action (outside of the required one game suspension from Little League® Rule 4.07 for ejections) is necessary. The review committee cannot overturn the required one game suspension from Little League® Rule 4.07 but may recommend more games based on review.

Disciplinary Review Committee. The Divisional Vice President will establish a committee of three (3) members from the Board of Directors to investigate ejections, unsportsmanlike conduct and/or violations of the regulations and, rules that shall recommend any disciplinary action for the Board of Directors to vote on. - A. **Ejections:** The Divisional Vice President will obtain a written report from the ejecting umpire, manager for the ejected player and/or ejected volunteer. In some cases, the Divisional Vice President can invite other attending league members at the location where the incident occurred to provide a written report. The review committee will utilize the written reports to recommend if more than the one standard game suspension should be recommended.
- B. **Unsportsmanlike Conduct and/or Violations of the Regulations and Rules:**
 - 1. The Divisional Vice President shall notify the player or member involved of such a meeting with the review committee, inform them of the general nature of the charges and give them an opportunity to appear at the meeting to answer such charges.

review committee.

Extended absence of a player due to injury will be an exception to maintaining a full roster. The manager will immediately report all injured players to the appropriate Division Commissioner and Division Player Agent. The Division Commissioner will notify the Divisional Vice President. The Board of Directors will review the status of all injured players. If a player will not recover from an injury by the

end of the scheduled season and less than 50% of the season has been completed, the Board of Directors will release the player from the current team and direct the Manager to replace the player on the roster from the eligible players pool in the Minor League. If a player will recover from an injury by the end of the scheduled season or 50% or more of the season has been completed, the Board of Directors will allow the player(s) to remain on the roster of his current team and will allow that team to continue play without risk of protest. Failure to report an injury will be grounds for disciplinary action by the Board of Directors against the Manager.

B. **Roster Vacancy** - A manager will immediately notify the Division Player Agent and the appropriate Division Commissioner of any vacancy that leads to less than the required roster size, due to change of residence, permanent suspension, or voluntary separation of a player. In all cases except injury, the manager must fill the vacancy within one (1) week of the vacancy with an eligible replacement player. In case of no eligible replacement player, the Divisional Vice President, Division Player Agent, and the appropriate Division Commissioner will call for a meeting of the Board of Directors and determine a recommendation for resolution.

C. **Late Roster Additions** - No player will be assigned to a team during the final two weeks of the regular season. An exception will be made for teams that drop to nine players or less in which case, with Board of Directors approval, the Division Player Agent will assign the player to a team. Players placed on a team in this period will return to the draft pool for the following season and will not become permanent players to the

drafting team.

Conveyance of Games. All games will be conducted in accordance with current Little League® Official Regulations and Playing Rules, and as specified herein.

Pre-Game Warm-ups. The visiting team shall have the field, for warm-ups, from 20 minutes prior to game time until 5 minutes prior to game time. The home team will have warm-ups for the time prior to the visiting team.

Game balls. The home team will provide two (2) new balls to the umpire prior to the game, except the senior baseball home team, which will provide three (3) balls. After the game, the game balls will be returned to the home team. The home team, using suitable game balls, will replace balls lost or damaged during the game. Requests from the umpires for additional game balls will be made to the home team.

Umpires. Two or more umpires should be used for every Senior and Junior baseball game, and Jr/Sr softball game. All other competitive divisions should use a minimum of one (1) umpire.

- A. If an approved umpire is not present, a volunteer umpire may be

chosen from the spectators that have completed the required background checks. Each team manager may provide one candidate to umpire, and a coin will be flipped by the away team manager with the home team manager calling heads or tails in the air, to determine selection of the umpire for the game.

- B. By allowing the game to start with an umpire selected from the stands, each manager automatically accepts the volunteers as being qualified. Failing to find acceptable umpires from the stands will result in the game being rescheduled.

Player Availability. If any manager becomes aware of an event (school or church) that will prevent their team from fielding nine (9) players, the manager shall contact the appropriate Division Commissioner at least two (2) days prior to the scheduled game to reschedule the game. The Umpire in Chief shall be notified of any postponement/field change or cancellation in as timely a manner as possible.

Postponements. The Division Commissioner shall coordinate and be final approving authority for rescheduling all games. The Division Commissioner shall work with the Divisional Vice President to utilize an alternate field, if necessary, for the rescheduling of make-up games. Rescheduled games may be played on Saturdays or after 11:00AM on Sundays and must be made up within fourteen (14) days of original game date. Failure to make up games, in accordance with these bylaws, shall be grounds for a forfeiture or double forfeiture, at the Board of Director's discretion.

Ineligible Players. Whenever an ineligible player is used in a game, that game will be forfeited to the opponent, subject to review by the Protest Committee.

Playoff Seeding. The team with the better regular season record will

always be the higher seeded team and listed as the home team in the playoff.

Division Playoffs. In case of a tie between the two teams competing in the championship game for their division, head-to-head play during the season will determine seeding positions. In the case of a tie between two (2) or more teams, a drawing will be held by SMLL to determine playoff matchups. The League will determine all game sites.

Showcase Games. All non-competitive divisions are recommended to schedule a showcase game at the end of each Spring season to showcase players across their respective divisions. The players for the showcase game will be selected one of four ways:

1. Players vote for two (2) players (dependent upon number of teams in division) to represent their respective team at the Showcase Game.
2. Managers select two (2) players to represent their team in the Showcase Game.
3. Assistant Coaches select two (2) players to represent their team in the Showcase Game.
4. Parents select two (2) players to represent their team in the Showcase Game.

Any roster vacancies that need to be filled to even out the roster sizes will be done so at the discretion of the Division Commissioner.

Scorekeeping. The official scorebook will be the home team's responsibility. The official scorekeeper will keep score outside of the

dugout so they will be readily accessible to the opposing team's manager and scorekeeper. A coach in the dugout may keep a second book. At the time someone is appointed as the official scorekeeper, that person becomes a league official for the game and will conduct him or herself as such. Official scorekeeping may be conducted via physical scorebook or GameChanger mobile application. The scorekeeper is responsible for following line-up changes in the physical scorebook or GameChanger mobile application.

Game Times. No games or practices may be scheduled before 11am on Sundays. If a game is scheduled at 6pm with a game preceding at 8pm, no new inning shall start after 7:45pm. If no game follows, games will play up to six (6) innings for Major or seven (7) innings for Junior/Senior or sunset. Ending time of play on a school night (Sunday - Thursday) is 10pm.

The following time limits shall be imposed for each division's games:

Parents of the players shall be responsible for covering

the cost of lodging during tournaments.

- C. **Regional Tournament.** Teams winning the Maryland state tournament must meet with the Board of Directors via a call for a special board meeting before making any arrangements for their regional tournament to discuss what SMLL will provide for the players & coaches.

Article XX - Inclement Weather

Cancellations by St. Mary's County Recreation & Parks. In the case of inclement weather, St. Mary's County Recreation & Parks (R&P) has full control over the closure of all county and school fields, except for any privately owned entities managed or leased to SMLL.

Cancellations by SMLL. In some cases, especially on weekends, R&P may not close fields in a timely manner with the threat of impending inclement weather.

SMLL will take the following approach when making a decision to cancel games and practices:

- A. **Radar.** The Field Coordinator will monitor the weather radar from an accurate source at least two hours prior to scheduled game and practice times. When checking radar, if inclement weather is currently happening (i.e. it's raining when the Field Coordinator checks radar), the radar must show that inclement weather ending at least 30 minutes before scheduled game and practice times in order to allow them to take place. If the radar shows the inclement weather lasting through the start of game/practice times, the Field Coordinator must notify the Commissioners to make a decision on whether to cancel games/practices.

B. **Decision.** When making a decision to cancel games or practices, the Field Coordinator and Commissioners must take into consideration the following factors: player safety, field integrity and the parent's commute to fields. If all three of those factors could be negatively affected, it is in the best interest of SMLL to cancel games/practices. Final decision authority lies within the Vice Presidents after consultation with Field Coordinator and/or other Board members.

Article XXI - Amendments
