

Hello!

The Soccer Association for Youth (S.A.Y.) was formed to provide an organization within which children could learn and play soccer. The fact that any size player can be successful at the game and that modest expense is required to field a team makes it possible for many children to participate in organized competition. These factors, plus the enthusiasm of the children once they've played the game, have resulted in the rapid growth of the S.A.Y. program. It is the function of Mason SAY to provide guidance and instruction for participants, and organizational structure to form leagues and schedule games, and to prescribe rules and regulations that will ensure safe, enjoyable, and fair competition. A youth program should be as its name implies: A Program for Kids. To win at any cost may be an attitude of the highly skilled professional, but it is contradictory to the basic objectives of Mason SAY. The overall objective of Mason SAY is maximum participation with even competition at various age levels. Players play at least two quarters every game.

**Mason SAY is looking for sponsors for our upcoming season.** As a result, your sponsorship for Mason SAY goes towards our expenses to keep registration fees at a reasonable cost for families. These include:

1. Ensuring safe fields for the children to play: goals and nets, corner flags, field paint to mark lines
2. Developing confident teens and support for our Referees.
3. Supporting our volunteer coaches through social events and training opportunities
4. Keeping our registration fee down to make it more affordable for kids to play
5. Provide scholarship opportunities for kids unable to play due to financial reasons

As a thank-you for sponsoring our club, we provide you the following with your sponsor fee:

1. You choose your team's uniform colors
2. You can have your logo or artwork on your team uniform shirts
3. You can receive a free sponsor plaque with your team in uniform
4. We can put your logo and website link on our website
5. If you are coaching a team at Mason SAY, we can assign the sponsor to your team

We hope you consider sponsoring our organization to provide a fun environment for kids and families to play soccer! **Sponsor opportunities are primarily for Spring and Fall SAY Soccer seasons.** However, if you are interested in sponsoring a special activity or special event (such as Summer Camp, Trunk and Treat, e-sports, referee/coach activities, etc.), please email [saysoccermason@gmail.com](mailto:saysoccermason@gmail.com) for more information.
