

MOORPARK AYSO REGION 363

PROFESSIONAL SOCCER CLINICS FALL 2015

The Challenger Academy clinics are coming back to Moorpark AYSO in August 2015! Due to such high demand and success of the previous clinics we are able to secure the services of your favorite Challenger British coaches to run a series of weekly clinics for AYSO 363 players this Fall at NO COST to registered players.

The 12 week curriculum focuses on the varied repetition of key techniques to maximize skill development to prepare for match environments. All players will learn various aspects of the game to improve their overall technical and tactical development.
