Step-by-Step Directions to Register Your Child for Soccer:

1. Go to www.englewoodsoccer.com

BE CAREFUL THAT YOU TYPE THE WEB ADDRESS CORRECTLY. If you use Google to find our homepage, there are other Englewood Youth Soccer programs that are listed before ours. Be sure you are on the *Englewood Rays* page in **Englewood**, **Florida**.

2. At the Home screen, click on *Register* in the upper right corner.

3. If you already have an account (your child has played before), click on *Sign in here!* toward the bottom left.

*If you do not have an account (your child has not played before), go ahead and create a new account. Follow the steps as prompted.

4. Sign in. If you have forgotten either your username or password, click to retrieve, and follow the prompts.

5. Once you've logged in, you will be directed to the *My Account* welcome page. It will look similar to the picture below. Click on the **BLUE Register Now! button** at the top right of the page.

6. You will now see the programs available for your child/children. If you do not need to add a child, skip to step 7.

If you need to add a child, click on the **GREEN Add Another Participant button** on the bottom left, and follow the prompts.
