Your team's \$240 referee deposit will be refunded if you provide a qualified referee team and if all scheduled assignments are complete. A "qualified" referee team consist of 3 experienced "eligible referees". Each 3-member referee team is expected to have **at least** one referee comfortable centering in the division of the team they represent. An "eligible referee" must be registered as a volunteer for the 2016 membership year, must have completed the current Safe Haven (after 6/2011) and must be AYSO Referee Certified. Failure to meet the requirement can result in the forfeiture of your referee deposit. We prefer that coaches with teams playing in the Tournament refrain from refereeing. We try to assign referee crews immediately before and/or immediately after their teams' games. Referee teams may be divided and scheduled separately based on the needs of the tournament. We understand that you may have changes to the referees listed below, if this is the case, please contact the Tournament Referee Administrator ASAP but no later than 5pm the Thursday prior to the tournament. Any changes or substitutions to the below referee crew require the submission of a new form signed by your Regional Commissioner or Regional Referee Administrator. Review the Tournament Referee Plan for complete details.
