GIRLS SOFTBALL organization leagues are also operated by PONY Baseball based on the and-under age concept. Copies of the PONY GIRLS SOFTBALL rule book may be obtained from PONY Baseball.

ADMINISTRATION

Volunteer Field Directors gather input from local organization leagues for the Board of Directors and Headquarters Staff, and relay information back to the organization leagues. The Field Directors also serve as administrative and service agents to the organization leagues.

Flexibility is a key word in PONY Baseball philosophy, which provides a pattern of organization league operation that may be adapted to the needs of the community, rather than asking the community to adapt to an arbitrary set of rules and regulations.

League Age is that age attained by a player prior to May 1 of the current year, and determines the player's eligibility for a particular league age.

Organization league boundaries are recommended by the league, but are subject to the approval of the Division Director.

Membership application forms are filled out annually by each organization league and forwarded to PONY Baseball. The forms are processed at the headquarters and copies distributed to the Field Directors. A Membership Certificate is issued by the Division Director following the Director's approval of organization league operating conditions.

Organization league supplies, including rule books, supply catalog and other items, are mailed to each organization league upon receipt of the Membership Application at PONY Baseball.

Equipment: Conventional baseball uniforms are recommended in **SHETLAND 6U™**, **PINTO 8U™** and **MUSTANG 10U™** leagues. They are required in all other league ages. Protective headgear for batters, base runners, on deck batters, player coaches and catchers is required. Regulation size home plate, pitching plate and bases are recommended for all league ages. An official ball, bearing an emblem of PONY BASEBALL AND SOFTBALL, is required in organization league and tournament play.

For purposes of administration and tournament elimination, PONY Baseball and Softball divides the United States into four zones, North, East, South and West. CHAMPIONS LEAGUE™

PONY Baseball and Softball™ is proud to announce the formation of a new league, the **CHAMPIONS LEAGUE™**. It is one of the newest leagues in the PONY family, designed for children with special needs. It was unanimously adopted by the PONY Baseball and Softball International Board of Directors on October 13, 2009.

While many of our leagues have had some type of **CHAMPIONS LEAGUE™** for years, PONY has officially organized this opportunity for children with special needs. PONY has developed and finalized plans for the language and procedures necessary to create these leagues on an international level.

REGISTRATION: Registration for the **CHAMPIONS LEAGUE™** can only be done on-line at www.pony.org. Click on the registration tab and follow the registration instructions. If you need assistance, please call PONY at 724-225-1060.

REGISTRATION COST: There is no charge to register your **CHAMPIONS LEAGUE™** Program regardless of how many Champions League™ teams are in the organization.

WHAT CAN YOU DO TO HELP? PONY is developing a long range plan for the language and procedures necessary to sustain the **CHAMPIONS LEAGUE™** on an international level, but we need your help. Does your community have a **CHAMPIONS LEAGUE™** already? If so, help us enhance the rules and guidelines by forwarding your information to info@pony.org. **Protect Our Nation's Youth™** represents all children and young adults regardless of ability.

HOW CAN I LEARN MORE? For more information on the **CHAMPIONS LEAGUE™** contact your local PONY Field Director or contact PONY International Headquarters at 724.225.1060 (M-F 8AM-5PM EST) or by email at info@pony.org.

DISCIPLINARY ACTION

The following may be adopted by the organization league as a guide for the handling of player or adult discipline problems.

- A. The organization league officers shall have the authority to suspend, discharge or otherwise discipline any player, manager, coach, umpire, organization league officer or other person whose conduct is in violation of the Rules and Regulations of PONY Baseball and/or is considered detrimental to the best interests of the organization league.
 - (1) Persons subject to such discipline shall have the right to a hearing before the organization league officers before such discipline is imposed.
 - (2) In the event of such a hearing involving a player, or other person under the age of 18, that person's parents shall be invited to attend.
- B. Persons, youth or adult, who refuse to comply with the rules of Baseball, PONY Baseball, or the organization league, may be considered for disciplinary action.
- C. Recognizing the difficulty of establishing specific penalties for a variety of violations of acceptable conduct, the following penalties are suggested. Organization league officers may impose the one which, in their opinion, appears to match the severity of the offense.
 - (1) **WARNING:** The offending person is to be advised in writing of the offense, and further advised that repetition of the offense shall result in a more severe penalty.
 - (2) **SUSPENSION:** The offending person is to be advised in writing that he or she has been suspended from all organization league activity for a specific number of games, or days.
 - (3) **DISMISSAL:** The offending person is to be advised in writing that he or she has been dismissed from the organization league for the remainder of the current year.
 - (4) **BARRED:** The offending person is to be advised in writing that he or she has been barred from present and future participation in the organization league, permanently, or for a specific number of years.

PONY Baseball, Inc.™ RULES AND REGULATIONS

This book does not contain a complete set of rules governing play in SHETLAND 6U™, PINTO 8U™, MUSTANG 10U™, BRONCO 12U™, PONY 14U™, COLT 16U™, PALOMINO 18U™ and THOROBRED 23U™ Leagues. Play is governed by *Official Rules of Major League Baseball*. This book contains only those exceptions to Official Baseball Rules which are necessary in a youth program, as well as regulations governing organization league and administration.

RULES and REGULATIONS

Each rule is applicable to SHETLAND 6U™, PINTO 8U™, MUSTANG 10U™, BRONCO 12U™, PONY 14U™, COLT 16U™, PALOMINO 18U™ and THOROBRED 23U™ Leagues unless specifically noted otherwise.

1 - THE ORGANIZATION LEAGUE

- A. PONY Baseball does not limit participants in its organization league on the basis of disability. All organization leagues are required to comply with this policy and failure to do so shall be grounds for revocation of or refusal to renew a organization league's annual membership. Any questions on this rule shall be referred to PONY Baseball Headquarters.
- B. A request for reasonable modification to PONY (Baseball/Softball) Rules by an individual with a disability, or their representative, shall be accepted by any employee of PONY Headquarters and any PONY official with responsibility for organizing or supervising PONY games. PONY shall allow such a modification unless the modification would fundamentally alter an essential aspect of PONY's (Baseball/Softball) program. If an official believes that a proposed modification would fundamentally alter an essential aspect of PONY's (Baseball/Softball) program, the official should consult the PONY ADA Coordinator. The ADA Coordinator will, after an appropriate individualized inquiry that includes consideration of the player's specific circumstances and the purpose of the rule, policy, or practice at issue, decide whether to allow the modification. Written notice shall be provided to the requestor of the modification within four (4) business days of the request. Although PONY will respond appropriately and in a reasonable amount of time to a request for reasonable modification regardless of when it is received, it is highly recommended that players and their families provide notice of such a request in organization league registration materials prior to the start of the season and in tournament registration materials prior to the start of a tournament.
- C. PONY (Baseball/Softball) Rules do not limit players' rights to sign language interpreters, or other auxiliary aids, during regular season and tournament games. Rules limiting persons allowed in team dugouts shall not apply to sign language interpreters. In situations where PONY's (Baseball/Softball) Rules allow coaches to be in areas other than the dugout, a sign language interpreter shall be allowed to accompany coaches in order to provide communication to a player. Any concerns with the selection of sign language interpreters or the location of such interpreters during games shall be addressed to the PONY ADA Coordinator. Although PONY will respond appropriately and in a reasonable amount of time to a request for a qualified sign language interpreter or other auxiliary aid regardless of when it is received, it is highly recommended that players and their families provide notice of such a request in organization league registration materials prior to the start of the season and in tournament registration materials prior to the start of a tournament.
- D. PONY is a non-discriminatory organization, which prohibits actions against an individual or organization league on the basis of race, sex, creed, religion or national origin.

- E. Organization leagues shall be composed of any number of teams.
- F. The Organization League shall apply and pay all registration fees prior to playing first organization league game to avoid a late fee. Organization League will be issued a "Membership Certificate" upon completion of registration process.
- G. The Membership Certificate shall be issued annually to each organization league, by the Division Director, subject to the following conditions:
 - (1) The Division Director shall have the authority to withdraw or refuse membership for just cause, and shall give written notice to the presiding officers of the organization league, as indicated by the current Membership Application form on file. The organization league has the right to appeal such action to the Vice President in that Zone.
 - (2) The Membership Certificate does not imply that in future seasons a new organization league cannot make application for operation within a portion of the present boundaries of the organization league, but only that no other organization league shall be permitted to operate within the boundaries established for the current season.
 - (3) The Membership Certificate expires at the conclusion of the actual play of the season for which it has been granted and is subject to renewal upon application and re-examination the following year.

2 - INSURANCE

- A. Accidents and injuries can occur while participating in baseball games. To protect our members, all organization leagues and teams must purchase accident insurance coverage and show proof by registration for the players, managers, coaches, official scorekeepers and volunteer umpires in their organization league with a policy provided by the organization league. Such coverage is available through PONY Baseball, Inc.
- B. BEHAVIOR

Tournament play is exciting. Disputes will arise. Tempers may flare. The example set by managers and coaches will be reflected by the players and coaches. As adults guiding, setting an example for young people, make it a good example. Violent displays of temper will not only give the program a bad name, but may cost the organization league fan and financial support in future years.

NOTES TO TOURNAMENT TEAM MANAGING PERSONNEL: — DECISIONS COMMITTEE —

SINCE TIME AND DISTANCE ARE A FACTOR IN TOURNAMENT PLAY, THE BOARD OF DIRECTORS OF PONY BASEBALL HAS RULED THAT TOURNAMENT PROTESTS SHALL BE DECIDED ON THE SPOT — THAT NO APPEAL OF RULINGS MADE BY THE DECISIONS COMMITTEE IS TO BE ACCEPTED. THE DECISION COMMITTEE IS THE FINAL ARBITRATOR. Managers are urged not to begin play in any tournament game until a Decisions Committee has been appointed and its members made known to them.

If, for any reason, a Decisions Committee is not present, and the Tournament Director is not present, and has not designated anyone to serve as a representative of the Tournament Director, the competing managers shall agree upon a Decisions Committee before play begins.

If a Tournament Director is not present and a Decisions Committee is not appointed, the decision of the umpire-in-chief shall be final.
