

Thank you for volunteering to coach for this upcoming season! Please make sure you register as a volunteer coach on your MUSC account.

MUST DO TO VOLUNTEER TO COACH WITH US

With soccer season getting ready to start now would be a great time to make sure your registration and Risk Management is up to date!

Please do not wait until the last minute to get this done, as the courses can take some time to complete, and your RM can take up to 48 hours to come back. No one will be allowed on the field with players, whether practice or games until you are up to date! (You cannot be added to roster until all are completed!)

- Risk Management is due every 2 years
- Concussion certificate is every 2 years
- Safe Sport is every year with the longest initial course then a refresher every year after
-

To check if you are up to date and/or complete registration or courses go to:

<https://usys-assets.ae-admin.com/assets/958/15/New%20RM%20Instructions%209%205%202019.pdf>

Please complete the course in this order

- 1) Safe Sport and Concussion course
- 2) Risk Management (background check)

Common Questions:

1) What if I have never coach before?

- We provide tons of training curriculum for each age and have ton of resources.
[u6 and u8 coaches manual 2021.pdf](#)
[musc u6 and u8 game booklet.pdf](#)
[7v79v911v11 handbook.pdf](#)

2) Do I get to pick my day and time?

- You can select your day and time of when to train. However, it is first come, first serve.

3) When do I get my roster and I do I contact parents?

- One week before the season start and we encourage you to have two ways of contacting parents. Email or by text message.
