

ROCKS BASKETBALL SUPPORTERS

Locker Room Renovation Update

Only four weeks to go before the start of the season and the hopeful completion of this project. This is not only meant to be a better locker room for the boys, it is meant to be their basketball home. This is true for those boys who are seniors or those who are in 4th grade playing basketball with their buddies. This is something the Westfield basketball family will be proud of not only today, but for years to come.

It has been a couple of weeks since we sent out information on this endeavor and we wanted to give you an update on where things stand. The Full Court Press Committee and the athletic department have been busy. At a high level, we have obtained final price quotes on all phases of the project which has resulted in some estimated cost savings for the project: Fiscal responsibility rules the day. Below, are the specifics of where we stand with each phase of the renovation:

PHASE	COST QUOTE OBTAINED	COMPLETED OR ORDERED	MONEY RAISED TO FUND COST
I - Demolition	✓	✓	✓
II - Painting	✓	✓	✓
III - New Flooring	✓	✓	✓
IV - Refurbished Lockers	✓	✓	Partial
V - Chairs/seating	✓	No	No
VI - Audio Visual/Other	✓	No	No

As you can see, there has been a lot done to date. Phases I and II were done almost 100% by the coaching staff and players. That being said, we are now at the point where we need your help. Dare we say it: we need your financial support. I realize many of you have kids in college, are paying fees for either school or travel sports and this may not be an option for you at this time. However, for those of you are able and ready to help or you have contemplating your support, the time is now.

We have attached from our original communication the various giving levels, benefits and the applicable mailing address.
