EXAMPLE COACH'S LETTER

U7 Boys under Coach (Coach Sam Soccer)

Hi Boys and Parents:

Welcome back to those returning players and parents. We have lost one and picked up 1 to our soccer team for the 2011 fall season. We are still listed as U7, which means 4 vs.4, longer quarters, and larger fields still without goalies. As most of you know we are here for the kids to have FUN second for them to learn more about the great game of soccer. To accomplish these it will take a combined effort of the parents, kids and myself.

Below are a few things as coach I am expected to do:

Keep it FUN.

Teach the basics of soccer (Technical foundations and Skills will be the focus)

Rules of the game

Encourage good sportsmanship to all (players, coaches and referees)

Hey parents you are still responsible for reinforcing a good sportsmanship during practice/games along with safety equipment (shin guards), cleats, and a size 3-soccer ball and a great attitude.

As for the boys it is very simple. Have FUN while obeying the rules of the game and respect for all.
