

To Whom it May Concern:

I hope this letter finds you well!

I am writing on behalf of Eastgate Soccer Association, we are a not-for-profit organization that strives to promote and teach soccer to the youth of Clermont County. Eastgate Soccer Association is a proud participator in Cincinnati Hill SAY Soccer and a proud member of the Soccer Association for Youth (SAY).

I am writing you today to invite you to participate in our Sponsorship program. We strive to keep cost low for our families so that every child has the opportunity to participate in a team sport, learn the skills of the game, and have fun while doing it. One of the major ways we can do this is through support from sponsors like you! We have several different sponsorship opportunities starting at \$100. What a great way to get your name and company information out to the public, and support your local community at the same time! Your contributions will go towards the cost of game t-shirts, end of season awards, field maintenance, referee fees, and much more.

Eastgate Soccer is a recreational soccer club serving children and teens, from age 3 up through age 18. Children/Teens are not required to try-out and we will teach all that wish to learn. Our goals are to develop every player to the best of their ability, both mentally and physically, to develop a player of outstanding character and sportsmanship, and to develop a passion for the sport in every player.

Enclosed is a list of different sponsorship opportunities that we have to offer.

If you are interested in participating in our Sponsorship program, please contact me via email, phone, or by mail by **August 16th**. I will be more than happy to go over any of the information with you. Thank you for your time and consideration, I look forward to hearing from you.

Sincerely,

Amanda Fields, U6 Dribblers Coordinator
