Each region is entitled to send one team to represent it in each Division. Since not every Region may be able to send a representative in each Division, there may be wild card teams. These teams are selected by the Area Director based on recommendations from the Regional Commissioners.

The Head Coach and Assistant coach of any team participating must be age-appropriate trained, Safe Haven certified and be identified on the team roster form to be eligible to participate in the tournament.

A signed eAYSO roster including jersey numbers must accompany the completed and signed Team Application Form in order to be considered for participation in the Area R Invitational Tournament.
