

SPONSORSHIP OPPORTUNITY

2022 FCRC Sponsorship Form

To: Prospective Sponsor
From: Fountain City Recreation Commission

Fountain City Recreation Commission (FCRC) has been a long standing and thriving part of the Fountain City community since 1952. Our goal has always been to serve the children in our area by offering high-quality athletic experiences in a safe and fun-filled environment where they can grow and learn from a great group of committed volunteers. Unlike most ballparks, Fountain City Ballpark is owned and operated by the Fountain City Recreation Commission, a 501(c)(3) non-profit charitable organization. In addition to our athletic programs, we also host the City baseball tournament and multiple regional weekend baseball and softball tournaments throughout the year. We also are the home of the Central High School Softball Team and serve as feeder programs for Gresham Middle School and Central High School baseball and basketball programs.

In order to provide this service to our community and keep fees at a reasonable price, we rely on the generosity of business and individual sponsors with a heart for serving the children in our area. Your involvement will act as an example of good community stewardship to the multiple families that visit the ballpark throughout the year. Kindly consider one of the following opportunities which allows FCRC to continue providing the children in our area the best experience possible. Thank you for your willingness to support our community through recreation and athletics.
