BASEBALL/SOFTBALL SPONSORSHIP PROGRAM

Sponsorship Opportunities Information

LAA Introduction

Langhorne Athletic Association is proud to have an active and thriving baseball and softball program. Our Cal Ripken Program is for players 4 to 12 years of age, beginning with Tee Ball. Our 13 year old players participate in a local Babe Ruth Program. Our Babe Ruth Softball Program is for players 4 - 18 years of age. The majority of the games are played at beautiful Middletown Community Park. It is one of the best parks in the area with lighted fields and a snack stand. In the spring, our park is buzzing and one of the best places to enjoy a cheeseburger and catch a game of future baseball stars!

Why Should You Sponsor?

Come join our team at LAA and become part of a winning tradition. Your valued contribution will help children in your community make new friends, develop lifelong social skills, learn the value of teamwork, and give them the opportunity to compete. Your business will benefit as parents and grandparents (local residents and consumers of your products or services) become familiar with and patronize your business. Truly a win/win for all involved!

For more information, or to sponsor a team today, please contact LAA Sponsor Coordinator at renee.v.evans@comcast.net

LAA Biography

LAA was started in January 1987 and has developed and grown over the years. LAA sets itself above other organizations with its community based roots. Just take a walk to Community Park on a Spring day and enjoy a burger and catch a game. You will see, feel, and experience the pulse of our community at play!

It is with pride that we work to develop and encourage leadership, sportsmanship, teamwork, social and athletic skills in all the recreational programs offered. In addition, LAA is an inclusive organization . . . every member of LAA should know that no child would be turned away from participation due to inability to pay registration fees. It's your support as a member of the community that makes this possible.

Travel Baseball Division

For those who want more baseball, LAA has a very successful Travel Baseball program. Travel teams consist of players ages 8-12 from the In-House Program who wish to gain more experience by competing against teams from other leagues in the Suburban Travel program. Some of our travel teams have won the championship at their age group. This is a thriving program and the place to be if your young athlete has a desire to compete at a higher level.
