## Spring Into Soccer—Recreation

In January, Ashburn Soccer Club partnered with FCV (Football Club Virginia) to bring our soccer players the best program in Loudoun County. The Spring Recreation season kicks off this new age of Ashburn Soccer with its FCV Ashburn Festival on March 29th at Evergreen Sportsplex. Come enjoy moon bounces and a fun day of soccer.

FCV Ashburn is pleased to announce Oliver Weiss as it's Director of Recreation. At FCV Ashburn, we'd like to change the way that you think about recreational soccer.

Recreational soccer was not meant to look like your children were thrown into a coliseum with surrounding parents screaming at their children to behave in a way that we've taught them not to behave since they were born.

**REGISTER NOW!**

**Jan 15—March 15**

Many children put in this setting, find soccer causes them great anxiety and they shut down and won't play. It is then no longer the fun game that it was intended to be.

At FCV Ashburn, we'd like to teach your children the skills they need to be successful soccer players while encouraging them to have fun and enjoy the game. Screaming from the sidelines will not teach your children to be great soccer players, but giving them the correct skills so that they are confident in their ability will. To create confidence, your player will learn from professional trainers that teach the right soccer skills while playing games. The more advanced players will start to learn more advanced foot skills.

The Saturday morning games will be fun as your player gets to show off their new found skills in a fun and stress free environment. At FCV Ashburn you'll have a BLAST and learn soccer the right way.

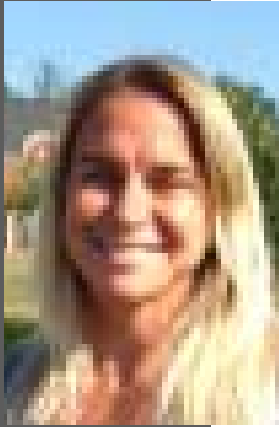

## Travel Soccer

The travel teams will begin their Spring tournament season with appearances at the Amanda Post Tournament, the McClean Virginian Elite Tournament, the PWSI Ice Breaker, and many others.

All academy players (U9-U11) will be receiving new FCV Ashburn training shirts this Spring. Additionally, current team uniforms jerseys will be collected so the FCV Ashburn logo can be added to your shirt prior to the start of tournaments.

This Spring, travel team FCV Ashburn league dues will be collected at the FCV website at [www.fcvirginia.com](http://www.fcvirginia.com).

This story can fit 150-200 words.

One benefit of using your newsletter as a promotional tool is that you can reuse content from other marketing materials, such as press releases, market studies, and reports.

While your main goal of distributing a newsletter might be to sell your product or service, the key to a successful newsletter is

making it useful to your readers.

A great way to add useful content to your newsletter is to develop and write your own articles, or include a calendar of upcoming events or a special offer that promotes a new product.

You can also research articles or find "filler" articles by accessing the World Wide Web. You can write about

a variety of topics but try to keep your articles short.

Much of the content you put in your newsletter can also be used for your Web site. Microsoft Publisher offers a simple way to convert your newsletter to a Web publication. So, when you're finished writing your newsletter, convert it to a Web site and post it.

"We need to  
change the  
mindset of how  
people in this  
area think of  
soccer"

- Oliver Weiss
