

## DANVERS BABE RUTH SPONSOR INFORMATION & FORM

On behalf of Danvers Babe Ruth League Baseball, I would like to ask you to join our team sponsorship program by sponsoring one of our **Prep Division Teams** (13 year old), **Major Division Teams** (14 & 15 year old), **Senior Division Team** (16 – 19 year old) or one of our **Summer Division Teams** (13-16 year old).

Our league would not be able to provide for a successful baseball season without the generous support of the community and team sponsors. This year, we will have over 150 players participating as our three levels. Your sponsorship will provide a great need for new equipment and uniforms, and will help with many administrative costs such as insurance and league registration. We are now preparing for the upcoming baseball season and would certainly appreciate your support. Please complete the attached form. Your consideration and prompt response to sponsoring would be greatly appreciated.
