

Back by popular demand is the EIAA coffee fundraiser with our friends at **The Coffee Connection**.

**The Coffee Connection** is a local not-for-profit business that sells fair trade, organic coffee to retail and wholesale customers.

<http://www.ourcoffeeconnection.org/>

The Coffee Connection serves the GLOCAL community by selling fair trade, organically grown, sustainably farmed coffee from around that we roast ourselves. Locally, we train, support and create jobs for women in recovery from addiction.

**The money raised will be applied directly towards each player's registration fees. For every bag of coffee sold, earn \$3 towards your registration fees up to 25 bags. Sell 25 or more, and your registration is free!**

So when you buy through our fundraiser, you help both EIAA Soccer and The Coffee Connection, as well as helping yourself

**All bags of coffee are 12oz. bags and are priced at \$10.**

**The Coffee Roaster Kit contains 1 full pound of coffee ready to freshly roast at home in your oven and is also \$10.**

**Try our new flavor – Rainforest Crunch!**

**Orders can be dropped off at our soccer registration:**

**Saturday January 25<sup>th</sup> 11am – 2 PM @ East Irondequoit Middle School**

**Coffee will be ready for pickup in mid - February**

*All coffee will be freshly roasted that week*
