

HELLO CLUB MEMBERS,

So with the fall 2014 season behind us, I want to start off by thanking all of you, our members, for a great two years as President. We will continue to move forward with a new President in January and get ready for the spring season. I have been involved with the club since the 2000 spring season and while holding many positions, it has always been about growing the sport of soccer in Framingham and making sure they enjoy the wonderful sport. We have grown in membership from just over 1,000 members in spring 2012 to almost 1,200 this fall! Thank you for your support and continued ideas on the improvement of our club and we look forward to increasing our membership. For up to date information, field closures, team rosters, and more, please visit our website at www.fusc.org and Facebook at: <https://www.facebook.com/pages/Framingham-United-Soccer-Club/210747715630233>

SO YOU WANT TO BE A REFEREE?

FUSC is pleased to announce that it would like to offer a referee training class for anyone that would like to become a referee. This class would introduce new referees to the sport and teach them the fundamental laws of the game as they pertain to our intramural town league. This class will also act a great foundation for those referees to then go and attain their USSF Grade 8 license via the classes offered by the Massachusetts State Referee Committee. The fee for this class will be \$20 and upon completion of the course and passing of the test participants will receive a yellow USSF referee jersey (\$25 value). The plan is to hold this class during a Saturday in February. Date TBD. We are looking to get critical mass in order to offer this class. If interested please email Steve Nunes at referee-director@fusc.org at your earliest convenience. Ages 12 and up are welcome!
