

2025 Keizer Little League Sponsorship Proposal

Dear Community Member,

On behalf of Keizer Little League (KLL), we would like to extend an invitation to your company to become a sponsor of our youth baseball and softball organization. We are a non-profit, all volunteer organization whose goal is to provide low-cost athletic opportunities to the youth of our area. In addition to staying active and fit, our hope is that through our organization the youth in our community will achieve a sense of comradery, leadership, respect (for themselves and others), competitiveness, accountability, and discipline. Our board of directors is very dedicated to this goal.

Our sponsors play a large role in our ability to achieve this goal. We are in search of local businesses and community members who are willing to donate to help offset the cost of our essential league operations. These operations include purchase of helmets, bats, catchers gear, team uniforms, field use fees, umpires, and insurance requirements. All donations are directly used for these operations in our effort to provide a safe and fun family atmosphere for all players and spectators.

We make every effort to maximize the visibility and exposure of our sponsors to those in attendance of the games. As you will see, we offer several levels to suit the various abilities of those considering participation. If you have any questions, please do not hesitate to contact us. Thank you for your time and consideration.

Sincerely,
KLL Board of Directors
