

South Central PA LandSharks Baseball Club
 c/o Travis Byers, President
 106 Farm View Road
 York Springs, PA 17372 Dear

Prospective Sponsor,

The South Central PA LandSharks Baseball Club originated in the spring of 2013. The LandSharks travel baseball club has players from Adams, York and Cumberland counties who compete in travel tournaments as well as scrimmages against other travel teams. In 2016 there will be two 9u teams, one 10u, 11u and 13u teams. South Central PA LandSharks baseball club is also registered as a 501c non-profit organization with the State of Pennsylvania.

Our GOAL is to develop young players through instruction and competition. Our MISSION is to field teams that have well-rounded, skilled baseball players looking for a competitive, positive baseball experience. Our PHILOSOPHY is that by being part of South Central PA LandSharks Baseball Club, our players will learn the ethics of hard work and how to give 100%. These work ethics will lead to opportunities for success both on and off the field. Our hope is that they will become future high school and college baseball players, leaders in their schools, as well as volunteers in the community.

The LandSharks are looking forward to a fun and successful baseball season in 2016. Success, however, comes with a price. Our annual budgetary demands are great, including field and facility rentals, registration and insurance fees, tournament entry fees, training costs, equipment costs, umpire costs and uniform costs.

Tax deductible donations from local businesses like yours is one way in which we can raise money to meet the financial requirements needed to provide our players with the quality baseball program we desire.
