FUTURES								
#	Match	DATE	TIME				NAME	NAME
	Championships	Sat. 11/4	3:30	Set up	&	Breakdown	All Futures families	All Futures families
Setup will be at the Bruins Den (across the street from the course)								

Volunteers are selected based on the first 2 teams to tee off each week

Volunteers should arrive 30 minutes before your tee time. Please- don't be late! We need your assistance!

Responsibilities will be to assist the setup and manage the check in desk and break down once players are off the tee box.

Since we have 2 volunteers per match, the time spent helping will be reduced, and you can then go and watch your child play.

This is a new system we are implementing, and we are really counting on your support to make it work.

If you cannot make your assigned volunteer day, please contact another parent on your team to 'switch'

Please don't leave us hanging. We are trying to make it simpler and shorten the 'work' time for you.
