

Back by popular demand! The Albuquerque Baseball Academy (Home of World Series Champion, Alex Bregman) baseball camps have been very popular with our baseball players.

This years Spring Break Camp will be held on March 26 in Los Alamos.

Hitting and Defense Camp: 9:00am-1:30pm \$80

Pitching Camp: 1:30pm-3:00pm \$30

Both Camps: \$100

Hitting and Defense: This portion of the camp will stress proper mechanics, drill work, mental approach and fundamentals necessary to become a better offensive and defensive player. Campers will walk out with an understanding of what they need to focus on as an individual and which drills will help them improve at a faster rate.

Pitching: Understanding the power of the legs will be the main focus of the pitching portion. Balance, timing, explosiveness, hand speed and finish will also be built in the framework of the camp.
