

Los Alamos County Little League Baseball & Girls Softball

Once again, the end of another season of regular play for Softball and Baseball has arrived. The LACLL would like to thank you for allowing your child to participate in Little League. This is a great opportunity to learn good sportsmanship and other lifelong lessons.

Please continue to support the teams moving on to participate in post season, All-Star play. The All-Star selection process for players has been completed and all parents have been notified. The All-Star selection is a challenging process as the LACLL is fortunate to have many talented players who also exhibit good character, the right attitude, being a good sport and a good teammate. If your player was not selected this year, please do not be discouraged, take this opportunity to grow and develop based on coach feedback and try out next year.

The 2018 LACLL will be represented by the following teams in post season play, please visit the website and Facebook frequently for updates.

Baseball

- 8-10 year
- Majors

Softball

- 8-10 year Team
- 9-11 year Team
- Majors

During the 2018 season over 440 players participated in over 300 games. All of which could not happen without the time and energy of those who volunteer. Thanks to all the coaches and managers involved, especially the volunteers without whom LACLL could not offer the number of teams and level of coaching that we do. It would be remiss to not recognize and appreciate the integral role that parents, grandparents and the wider support network plays in transporting and supporting players to and from practices and games. No matter what role you filled this year, from coaches to concession workers, you are appreciated and the LACLL is grateful.

The LACLL Board looks forward to next season and hopes you come out and join the league again!
