## About the Program...

Casey's Cleats is a community outreach program, started by Casey's family and friends, to ensure every player has the means to get a pair of cleats.

## How to Participate...

If your child needs a pair of cleats, we will gladly trade their outgrown cleats for a larger size. If you do not have a pair to trade, we request a \$5 donation for a used pair or \$10 for a new pair. If there is a financial need, please contact us.

## Donations...

We graciously accept donations of new or gently used cleats. You may use the drop box located next to the shed at any time or leave them at the snack shack when it is open.

- 1st and 3rd Sunday In-Season from 12-2pm
- Every Wednesday In-Season from 5:30-7pm
- Dates and times may be found on our facebook page
