## FAQ

### WHAT IF I HAVE NOT RECEIVED MY PLAYER'S CODE TO REDEEM A FREEE TICKET?

- Make sure to check the different folders of your inbox (spam, promotions, social, etc).
- If you have not received an email with your player's code, please reach out to our Revs Rep Nick Scaltreto at [Nscaltreto@revolutionsoccer.net](mailto:Nscaltreto@revolutionsoccer.net) ASAP!

### WHAT IF I HAVE MULTIPLE CHILDREN IN THE PROGRAM, BUT MY CODE ONLY REDEEMS ONE TICKET?

- If you have multiple children that play in the club, your code should allow you to redeem a free ticket for each of your children.
- If you are not able to redeem for all the players in your family, please reach out to our Revs Rep Nick Scaltreto @ [Nscaltreto@revolutionsoccer.net](mailto:Nscaltreto@revolutionsoccer.net) ASAP!

### HOW DOES THE SEATING WORK?

- Through the link above you can choose to sit wherever you want in the stadium!
- Free tickets are redeemable in the corner/endline sections or upgrades available for better and premium seating.

### WHERE ARE OTHER FAMILIES SITTING? HOW WOULD YOU RECOMMEND I NAVIGATE SITTING WITH THEM?

- A good way to do this is to purchase tickets **at the same time** (after practice, after a game, etc) as the families you wish to sit next to and select seats next to each other.
- Alternatively, anyone in the organization can always use the **"WHO'S GOING"** feature that will show you were families in your club chose to sit
- Lastly you should recommend that parents/players share their purchases via text/email/social to the group within the group!

### CAN I USE ANOTHER PLAYERS/FAMILY'S CODE? WHAT IF THEY ARE NOT USING IT?

- No - This free player code is solely for your own registered player(s) – It may not be shared or be used by anyone else, even if they are not going.

- Please remember these codes are ONLY for the players and the tickets will be associated with a youth player name on entry to Gillette!
