

February 2026

# TAYSA TALK

## UPDATES AND CURRENT NEWS FROM TAYSA

### Field Expansion Update

- TAYSA's VP and Field Director have been meeting with the Town of Townsend administration to work on state permitting requirements.
- On Feb 25 at the Townsend Special Town meeting, there will be a warrant article asking to extend TAYSA's lease on Squannacook Meadows to 50 years. This is needed to receive grant funding to build the new fields.
- Did you know? The Field Expansion was first envisioned by a previous group of TAYSA volunteers in 2018. In January 2022, the current Field Expansion Committee started working consistently on the project
