

SIMI YOUTH BASEBALL – 2016 All-Stars

SYB Parents,

We hope that the 2016 Spring Season at SYB has been enjoyable to you and your family.

This is to advise you that your child may be considered for one of the 2016 All-Star teams. This notification DOES NOT mean your child has been selected to play for a team – rather it is to notify you of the commitment that comes with All-Stars in the event your child is selected.

The All-Star season typically starts immediately following the regular season with practices 3, 4, or 5 days a week, depending on the Teams manager. Cost of approximately \$200.00 per player, covers the costs of uniform, one SYB hosted non-sanctioned tournament and all sanctioned tournaments for the All-Star Team. Additional fees will apply (parking, sanctioned team gate fee's, gate admission for non-players, lodging, travel, additional non-sanctioned tournaments, etc.) . As noted, SYB teams play in at least one non-sanctioned tournament, which last year was at SYB. This tournament will most likely be the 1st or 2nd weekend in June. Pony Sanction tournament play will most likely begin third week in June and may involve travel to neighboring cities where the tournaments are held. For Mustang, Bronco and Pony, depending on the success of the team, the team could travel outside of California.

By signing below, I am giving my consent for my child to be considered for selection to play for the Simi Youth All-Stars, with final selection as determined by the Board of Directors and league managers. I also give my commitment that we will be available to play All-Stars from June through the early August. I understand if selected and placed on an all star team, and thereafter, at any time, my child quits the team, my child will not be eligible for all star selection the following year.

Exceptions to our availability during this period are noted below.

We are interested in playing SYB All-Stars for 2016 YES____ NO____

Childs Name: _____

Parents Name: _____

Dates we are NOT Available (June-August 2016): _____

Spring Team Name: _____
