

Hello Ranger Families!

I hope you are all doing well. We want to wish all the 10u-14u Rangers the best of luck next weekend at Nightmare at the Rock. We also want to wish all of our High School players at Westview the best of luck this week at their Regional games and for the rest of the tournament.

We understand that this document has a lot of information but we highly encourage you to at least read through the parts that pertain to your age group as a LOT has changed this year.

Below is some important information and key dates about our winter programs that are offered to all our players. Most of this information can be found on our website www.rangerspfc.com. If you have not logged on and created an account, please do so as soon as possible. This not only shows you what programs are out there for your player, it's also how we communicate practices, games, and other changes. While you are there, click on the "Club Calendar" tab towards the top of the page. It will show you all of the programs, practices (once they are all set), and indoor Saturday game times.

Winter Session 1 runs from Tuesday, November 8th until Saturday 01/21/2023 for any players that are looking for additional winter games and training. We will provide more information later on our Winter Session 2 which runs from January 23, 2023 through March 18, 2023.

- **NEW FAMILIES (How to Set up an Account and Register)**
 - At RangersPFC.com there's a link at the top of the screen on Registration that explains how to set up an account and register
 - We have also included the registration instructions at the very end of this document
 - For each available program below, we have highlighted in red font the specific program name you'll need to select when registering
