

# DC Stoddert Soccer & Team Manager Parents Edition

Enjoy enhanced communication & coordination functionality via the [Team Manager](#) app

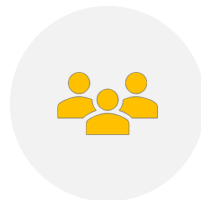

# What is Team Manager?

Watch the video [HERE](#)

Team Manager is a FREE communications & coordination app provided to DC Stoddert Soccer coaches and families!

Team Manager allows coaches & participants to share schedule changes, post roster updates, RSVP for activities and message every family on their team, all from one convenient app!

Team Manager is very user friendly and is an extremely efficient way for families to check their weekly schedules and contact the coach and/or team with questions and brief messages

# Why do I NEED Team Manager?

Team Manager is the official mobile app for Blue Sombrero!

Team Manager is the ONLY way for ALL participants (Coaches, Volunteers, Parents) to communicate in the Blue Sombrero Universe

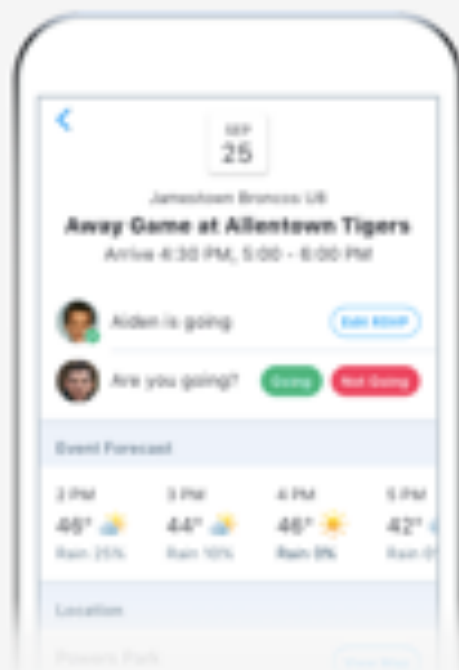

Whereas Blue Sombrero only allows for COACHES to message the parents on their team, Team Manager allows for EVERYONE to send messages

Team Manager is an extremely useful asset for parents to communicate with the team and their coaches

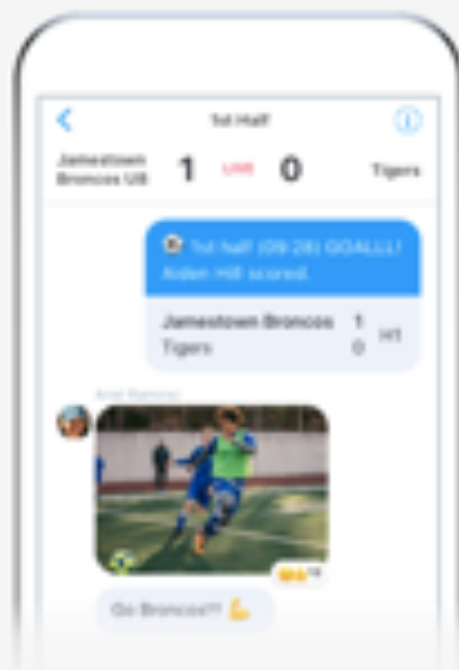

## Streamline your team communication

**One calendar for all  
your teams**

**RSVP & Event Details**

**Team Chat & Score  
Updates**

# How to Access Team Manager
