Mike addressed new board regarding – be involved, be a team player, be excited!!

All board members must be registered with the county and hold a current county card, recommend all board members to get g-mail account, we will be using Google docs extensively

Softball Jr/Sr and Major --- we only have one team in each division and we are looking at scheduling options

Need to be thinking about registration b/c we would like to open registration earlier this year – idea submitted that we should do separate BB and SB flyers so our softball program does not get overlooked. Could we host an event open to all girls to introduce them to SB and CLL.

Aaron motioned to adjourn, Ryan with 2nd – motion carries.

Next Board Meeting – 10/12/14
