ZERO TOLERANCE POLICY!

Our club strongly encourages, backs BAYS and adheres to the "Zero Tolerance" policy put forth to all the teams in the travel and in-town leagues. All individuals responsible for a team and all spectators shall **support the referee**. Failure to do so will undermine the referee's authority and has the potential of creating a hostile environment for the players, the referee, and all the other participants and spectators. Please keep positive support for all involved in the game. We know sometimes it can be tough to accomplish, but we need to respect the game. So if you see someone acting out, **speak up respectfully, and politely remind them of the "Zero Tolerance" policy!**

Please do not hesitate to approach any FUSC Director with comments or questions. **We will continue to do our best to give your kids a terrific soccer experience.**
