2015-2016 TRYOUT BROCHURE

Mission and Vision Statement

The Canton Soccer Club pledges to be a full service soccer organization dedicated to the growth and enrichment of its participating members within the game of soccer. We will strive for total player development in an environment that fosters individual confidence along with team success. These goals will be achieved through hard work, sacrifice, dedication and the complete commitment to every level of player from recreational to premier.

The mission of the Canton Soccer Club Select and Premier Program is to provide a positive and creative environment for the advanced players to improve their soccer skills. With top coaching, excellent facilities and year-round programs, each player will have the potential to reach his or her maximum level of performance all while learning the value of commitment, dedication, teamwork and sportsmanship.

The Canton Soccer Club will remain committed to being a leader within the soccer community. We will pursue opportunities to strengthen the club through our staff and programs as well as our fields and facilities.

We will pursue these opportunities while being fiscally responsible to our members.

What does this mean for your son or daughter?

To meet the above goals the Canton Soccer Club has strived to be a leader in the soccer community. Independence Park is one of the largest and most beautiful parks in the state and is home to both our games and our practices, giving us a training facility second to none. We operate one of the largest tournaments in the country (over 650 teams this year), the Canton Cup, every Memorial Day weekend. Our teams are competitive at the highest levels of the game and we strive to offer every player interested a place to play.

Through all of that, our focus has been and will remain to develop each player within our club to their highest potential.

If you are new to our Select and Premier program it is important to note that you are joining a club and not just a team. By joining a club you get to share in all of the assets and benefits that we as a club can offer, including the support of a fulltime staff including our Club Director/DOC, Technical Directors, Goalkeeping Coach, Youth/Academy Director and Board of Directors. If your child joins a Canton Select or Premier team, he or she will be getting involved in a level of soccer beyond what you may have experienced in recreational soccer. These players are very committed and enthusiastic; the coaching is skilled, energetic and disciplined. Especially as your child ages into the U13 and above level, he or she could be challenged in games not only in the Detroit area, but across the state. Select and Premier players of all ages may be involved in out-of-state tournaments. These teams have great fun and often both players and parents alike find that the team dynamics make such involvement a great way to spend time together as a family, and make great friends. It's very common for teams (players and parents alike) to talk about their team in terms of 'family'. It is this club approach that makes us better than the rest!

The following pages will breakdown everything that you can expect when becoming a part of the Canton Soccer Club Select and Premier Program. We thank you for attending this year's tryouts. If you have any questions, please look for Peter Alexander, John O'Meara or Dan McEvilly at the registration tents.

2015-2016 TRYOUT BROCHURE

TRYOUT RULES

1

Please make sure to pre-register for tryouts at celticsoccer.net. Create an account (if you don't already have a Blue Sombrero account) and keep your information on file as you will be required to login after tryouts. If you are "playing up" the system will automatically put you in the age appropriate division, but make sure to indicate that you are trying out at an older age group when you register.

2

Notify the administrators of any medical conditions that may limit your son's or daughter's ability to tryout

3

Parents/Guardians and spectators are required to stay away from the tryout areas. Parents are not allowed to talk to any of the coaches or evaluators during the tryout process. Please direct any questions you may have to the tryout administrators in the registration tent. We firmly believe it is in your child's best interest to be having fun, playing and showing their skills without the pressure of having parents involved in the activities.

4

All selections will be made as follows:

Our goal is to finalize all of our teams on the field as soon as possible, and most teams will be completed by the end of tryouts on Sunday. We understand the sensitivity of the tryout process and we also understand that there is no "perfect" way to inform our players and families, but over the years we do know that it is important to get through the process as quickly as possible. In the event we can not finalize a team on the field the coach of that team will call those selected within 24 hours.

If your child is offered a position, you must be prepared to accept or decline at that point. A "maybe" answer is equivalent to a "no".

5

A non-refundable commitment payment will also be due at the time your son/daughter is selected. Please reference Player Dues on page 9 for the amount as it's based on team age.

6

The weekend following tryouts will be your team's organizational meeting where you will fill out all the appropriate paperwork. If you cannot attend that meeting please let your coach know so that arrangements can be made to get all of the above completed ASAP.

7

If your son/daughter is not selected, please email the club office at recrep@cantonsoccerclub.com with your player's name, age group and contact information for other team options.

2015-2016 TRYOUT BROCHURE

WHAT'S NEW

New Logo

After months of working on our new brand, we finally launched it in early May. We had several reasons for needing to do it and we hope you like it. For more information, please visit the website under "INFORMATION."

New Partnership

We have teamed up with KIA of Canton for the next two years (2015-2017). KIA of Canton is the Premier Sponsor of Canton Celtic.

New Website and Registration System

We have once again partnered with Blue Sombrero for registration and website. We feel confident this change will allow us to be able to provide enhanced communication and better payment flexibility.

Online Store

We are looking at the possibility of having our own online store for parent and player merchandise. We are also working with our current vendors (Soccer World and KG Sports) on other ideas. Look for us to roll this out in early August.

Social Media

Although not new, we are getting into our second year of using social media as our main means of communication for updates. We primarily use Facebook (cantoncelticmi) for updates, announcements, educational articles and such. Twitter (cantoncelticmi) is mostly used for score updates as of right now. We will be getting more heavily involved in other types of social media such as Instagram, LinkedIn and Pinterest as the year unfolds. Not on social media, that's okay. Our new website embeds the feeds right into the homepage so you can keep up-to-date with what's going on.

Mandatory Warm-up Top

We have wanted to do this for years, but we have also tried to be cost-conscious to our members. We finally decided that it was paramount to our professionalism that we look like one team on and off the field.

Giving Back to the Game Project

We are looking to launch three separate projects for player participation this year:

Celtic Jr. Board (U11-U14)

The purpose of the "JB" is to be the voice of the Celtic players in regards to the vision and direction of the club. Our thought is that we all (coaches, managers, parents, board, volunteers, etc.) make all of these decisions for the players, yet we rarely ask their opinion. We will work on such things at the cup logo, apparel, social media and website posts and articles, events and so on.

HOOPS Mentoring Program (U12 & Up)

The purpose of the Hoops program is to pair a mentee (a younger aspiring Celtic player U12 and Up) with a mentor (an older experienced high school or college player).

Celtic Trainer Program (U12 & Up)

Most, if not all, players started out on a recreational team. Odds are, it was a parent that volunteered (or was "forced" to coach in order to make the team materialize). Many coaches openly admit that they don't know the game and that they don't know how to demonstrate techniques. Trainers would be paired up with a recreational team and act as an assistant to coach. If you want to feel like a "superstar" and be "idolized" by the kids, this is the program for you. We would pair you up with an age group and gender you are comfortable with as well as try to make sure it doesn't affect your team training schedule.

Look for more information on this in the coming months.

CANTON CELTIC

At Celtic, every player, no matter where their current skills are at, will be given the opportunity to reach their full potential. With top-notch facilities (indoor and outdoor), and a high-level, nationally licensed staff, we have the foundation for success. Our teams play in MSDSL, DA, MSPSP and MRL, giving our players the opportunity to compete at the highest levels. Our college-bound athletes have many support tools from College Combines, Showcases, Online Software (College Fit Finder) and Scholarships (we currently award four \$1500 scholarships a year). Want to learn more?

2015-2016 TRYOUT BROCHURE

COLLEGE PREP PROGRAM

TEAM CAMP

Starting at U14 we begin preparing players for collegiate opportunities by starting off with our team camp where we bring in anywhere from 20-30 college coaches to train our teams.

In addition to that we offer a few resources to help guide you.

COLLEGE SCHOLARSHIPS

This year the Canton Soccer Club awarded four (4) College Scholarships at \$1500 each. In addition, the MSYSA gives out one (1) for our region and MSPSP is now also giving out scholarships. Most requirements are the same so you should apply to all. More info can be found on the website.

COLLEGE FIT FINDER

CFF is provided to you at no cost. The excellent College Search tool allows you to narrow down the search of thousands to a handful based on the factors you determine are most important. It also allows you to have an online player profile that college coaches have access to as well as allowing you to contact coaches directly. Your team is also given a team profile page showcasing the players as well as league and tournament schedules to attract recruiters.

COLLEGE BOUND JOCKS

CBJ has a 99% success rate on getting players recruited and signed by College Coaches. College Bound Jocks is unique in that they specialize in video taping each of their athletes, creating a video profile as well as the traditional written profile. They have a nationwide database containing every college coach in the country. Once they produce an athletes recruiting video they can send the players profile, tournament schedule, and his/her video to hundreds of coaches across the country.

While this service is NOT free or included in your dues, as part of our partnership with CBJ they have agreed to give every Celtic player who uses their service a 10% discount. Also, you can upload that video to College Fit Finder.

COLLEGE NIGHT

In the past we have partnered with several other companies (such as Sports Source) and will continue to do so. We are constantly looking for the next best thing in regards to the ever-changing college search process. At College Night, usually during the winter, we typically bring in guest speakers and/or college coaches to address the ever-daunting task of finding the right college. Please make sure to try and make it once that information is available.

2015-2016 TRYOUT BROCHURE

Goalkeeper Training

Goalkeeper training is FREE to all select and premier goalkeepers. We ask that you visit the Celtic Goalkeeper Training page of the website (under "programs") and register for the distribution list.

**Please meet at the Pavilion.

(U7-U10) 5-6pm

(U11-U14) 6-7pm

The fall and spring sessions are held at Independence Park while the winter sessions are held at High Velocity. There are at least 48 sessions for all ages throughout the year (40 of 52 weeks). We know it's impossible to make them all with tournaments, league games and team training so we have tried to spread them out so all keepers can get quality training.

Fall Training Schedule

Where: Independence Park GK Area (southeast corner)

When: 16 Sessions (Aug-Oct) – check website for specific dates and times on or after July 15th.

Winter Training Schedule

Ages: U7-U12

He went on to coach at the Novi Soccer Club and was on the ODP Goalkeeping Staff. George has his NSCAA National Diploma, NSCAA Regional Goalkeeper Diploma and his USSF National "D" License.

2015-2016 TRYOUT BROCHURE

U10-U14 Canton Celtic Advanced Program (for boys and girls - not including U11-U14 Black teams)

We've made some changes to the program from last year such as going from 20 sessions to 16 sessions and not starting until September. We wanted to stay away from conflicts as much as possible as most players are already training 3-4 times per week in August and doing pre-season tournaments.

FRIDAYS 5:00-6:30 & 6:30-8:00

Fall: Sep 11th, 18th, 25th, Oct 2nd, 9th, 16th, 23rd & 30th

Spring: April 8th, 15th, 22nd, 29th May 6th, 13th, 20th, & Jun 3rd

16 sessions to continue the education of our players on the following

TACTICAL: *Improve attacking/defending principles*

TECHNICAL: *Accuracy and speed in individual and collective techniques*

PHYSICAL: *Improve speed, agility, coordination and balance*

PSYCHOSOCIAL: *Cooperate with teammates in collective tasks*

Sessions will be designed to include the following tactical aspects of the game:

- Attacking principles
- Possession
- Transition
- Combination play
- Switching/vision
- Counter attack
- Playing out of the back
- Finishing in the final 3rd
- Defending principles
- Zonal defending
- Pressing
- Shape – staying compact

Each session will ask the player to apply the following technical skills:

- Passing
- Receiving
- Dribbling
- Turning
- Shooting
- Ball control
- Heading
- Finishing
- Crossing

By the end of the season we'd like to see our players who participated with the extra sessions have better application of technique in game situations and better application of attacking and defending principles.

All sessions by Celtic staff Coach **Charlie Bell**.

Cost: \$200 per season (8 sessions) or \$320 if you sign up for the full year (16 Sessions).

Registration will open June 20th and is online only. Deadline: August 1st

Questions???? Contact Charlie Bell at cbell@cantonsoccerclub.com or 734-751-1331.

Charlie Bell *Coach / Program Coordinator*

Bell also spent one season with the Northern Ireland National Youth Team before playing two years professionally with Derry City FC. Charlie was a three year All American at Madonna University and has been with the CSC since 1998. Charlie currently holds a NSCAA Advanced National Diploma.

2015-2016 TRYOUT BROCHURE

UNIFORMS

On behalf of Canton Celtic and our Partners KIA of Canton, Nike Soccer and Soccerworld, we welcome you to the 2015/2016 soccer season. We begin a new two-year uniform cycle so ALL players will need the new kit.

However, the "Hoops" jersey is staying the same for the next two years (and will keep the old logo), so you only need to purchase the hoops if you need a new size or new number. NEW this year is a mandatory warmup jacket.

Uniform Sizing:

New this year, Soccer World will be out at Independence Park the week of Age Group Training and during Tryout Weekend for sizing. Please make sure to stop by and record your sizes for online ordering. If you need a "Hoops" jersey it is extremely important that you order ASAP, in order to get this customized jersey in time for the start of the season. The custom "hoops" jersey will take at least six-weeks to come in since the number and logo are wsublimated into the jersey.

Pass card Photo:

Please make sure to take a passcard photo at the sizing tent when you get sized. Here is an example for sizing purposes of a handsome fellow (just seeing if you actually read this stuff). You want your picture to be small (500 KB or less as it will print to about 1" x 1"). Please make sure to give a copy to your team manager.

What to Expect:

You will get an email invitation to order your uniform kit and optional items once your manager uploads the roster (with jersey numbers) into Soccer World's online ordering system. Once team orders are completed, your team manager will pickup at Soccer World and distribute to your team.

The 2015-2017 Celtic Kits will be unveiled on June 6th at the Celtic Celebration and posted after.

If you have any questions or issues, please contact Bill Joker @ joker@cantonsoccer-club.com.

Seasonal Girls Teams (U15-U18): All orders must be in by Tuesday, June 19th in order to have them ready by August 1st.

UNIFORMS MUST BE ORDERED BY JUNE 19th!

The annual Canton Cup tournament is by far the largest fundraiser that we conduct as a club and once again this past Memorial Weekend was a great success. This year we hosted over 650 teams attending from all over Michigan, Ohio, Indiana, and Illinois and Canada.

This would never happen without the countless number of volunteers who put in countless hours of time.

CANTON CUP

As you may have guessed this is where we ask for your help and support. It takes many, many volunteers to make this tournament a success year in and year out and we get those volunteers through our Celtic players and families. Your coach will let you know what we need from each of you as we get closer to tournament time.

Thank you in advance for your cooperation
