

January 2024

The Brewster Little League Board wishes you and your organization a happy, healthy and prosperous 2024, both professionally and personally. We would like to take this opportunity to introduce our new board and tell you a little about our league.

Brewster Little League became a chartered member of Little League Baseball Incorporated, in 1952. At that time, the entire league consisted of four teams who played their games behind the Garden Street School. In 2023, over 380 boys and girls, ages 5 to 13, played over 200 regular season games utilizing twelve fields at six different locations within the Town of Southeast and the Town of North Salem.

Our local program is made possible thanks to the contributions of our community. Individuals volunteering their time as Board Members, Coaches, Umpires, Division Heads, Groundskeepers, etc. Businesses contribute by becoming sponsors. Regardless of contribution level, business or individual, we all share one goal; that of making the program a big success.

We have many exciting programs planned for this season. As you may know, players from the Town of North Salem recently joined Brewster Little League. We expect to have many more kids registered, as well as additional ball fields in play. This means there are a lot of advertising opportunities. As a sponsor, depending on the level of sponsorship you choose, your name and/or organization will follow our teams wherever we go. Our sponsorship packages are as follows:
