

Meet your *COACH OF THE YEAR*, Jim Sabin!

"He has been a head coach for one team and assistant coach for another coach pitch, and he's provided the kids with fantastic support and encouragement, whilst going through some pretty challenging health issues at the same time. Despite those challenges, he has consistently shown up for the kids, providing a positive role model. I don't think the kids would have any idea how ill Jim has been, and that's a testament to how much he cares for the kids he works for, and his fantastic attitude."

CURRENT OPEN REGISTRATIONS

(Deadline 1/31/23)

**Spring Soccer
Lacrosse**

UPCOMING REGISTRATIONS

(Beginning 1/1/23)

Exciting changes ahead for Spring Soccer!

- We are excited to announce that soccer games will be moving to the new McGill Park location!
- Player registrations are now open as well as coaching opportunities. If you can't commit to coaching but still want to help, consider joining the field crew!
- Do you or your teenager want to earn a little extra money? We are always looking for referees! Send inquiries to soccer@cwrecreation.com

Lacrosse is back!

-----What you need to know.

WHY PLAY LACROSSE? The sport of lacrosse combines some of the best elements of soccer, basketball, hockey and football into a high-energy, team-oriented sport. Lacrosse combines stick skills, running, some age-appropriate contact - there is very little standing around during a lacrosse game where every player on the field is highly engaged and changes in possession can happen quickly. This creates a high pace sport which is equally fun for kids playing and for parents watching.

The sport is growing faster than any other sport with new programs continuing to pop up from the youth level to the collegiate. If you want to play a fun, fast-paced and rewarding sport, lacrosse is for you!

INFO SESSIONS: December 12th and January 13th from 7:00pm-8:00pm at the Canal Winchester Community Center - 45 E Waterloo St
