Dear Homewood Baseball & Softball Partners:

Thanks to community partners like you, the Homewood Baseball & Softball League can provide nearly 1,000 young ball players great experiences and lasting memories of playing America's pastime at the fields of Izaak Walton, Lions Club Park and Apollo. The program would not be what it is today without the generosity and dedicated support of corporate partners.

It is now time to start preparing for the 2019 season and we are asking for your support of the league.

Below are the partnership opportunities for the upcoming Homewood Baseball & Softball season. Please look at the offerings and consider partnering with one of the premier baseball and softball programs in the Chicagoland area.
