**November Update:** Only 5 teams have notified Chuck that they will register (U7, U7, U8G, U10B, U10G). Deadline is 12/15. GLF indicated that many teams were not signing up as they wanted to play against other clubs. MM to reach out to other local clubs to determine if there is any interest.

**July 2013 Update:** Tabled

**August Update:** Tabled

**Sept Update:** tabled

**October Update:** tabled

**November Update:** A draft proposal document is written (sent out separately after meeting). For the inaugural tournament, the initial goal is to get a small number of teams (~50 teams + our rec teams). There are some challenges:

- How to Market? – Will have to call the Club President. Traditional Advertisement (newspaper/radio/cable using community announcement)
- Player / Team verification without player passes / team roster. Must rely on honesty of clubs
- Volunteers? – Use Instructional Work Bond program
- Food/Drink – bring in a vendor for the day
- Ambulance/EMT – reach out to other large hospitals (e.g., Somerset Med Center)
- Use existing Spring small sided fields, but need to build Micro fields as same site/GA.

Chuck to send out proposal. (not sent yet)

**December Update:** Tabled.

**January Update:** Tabled (chuck hasn't had time to devote to this project).

**February Update:** planned date is Saturday, June 14<sup>th</sup>

- See separate proposal. Discussed changing the date to Sunday 6/15 (Father's day), Memorial Day weekend, Sunday 6/8, Sunday 6/22 (after school is out)
- Motion by CM second by JS to apply and host a recreation tour sponsored by Kohl's, passed by a vote of 11-0-0

- 5) **Friday night Free-Play Pick-Up Games** – GLF proposed setting up a pick-up game in the Spring for any players looking for additional soccer. This could conflict with Goal Keeper training.  
**November Update:** Tabled  
**December Update:** To Trial this in spring on Instructional fields  
**January Update:** Proceeding, No Details yet, Instructional Coaches are interested per GLF.  
**February Update:** Discussed holding this at the HS Stadium on the turf field without the lights
- 6) **Saturday 5v5 Games** – GLF proposed setting up an environment for a U9 (or older) team to split into two teams and then play another PSC team in two 5v5 games. No refs, no additional fees. Would require that a couple of 5v5 fields be built and maintained.  
**November Update:** Tabled  
**December Update:** The intent is to join other clubs and run 5v5 festivals (similar to what Princeton is involved with)  
**January Update:** Tabled  
**February Update:** GLF will contact nearby clubs to run 3 festivals (e.g., Edison, Highland Park, Metuchen)
- 7) **NEW Registration Payment Options** – Gina LF proposed different registration payment options for Travel, this based on some feedback given to her. The following are examples for discussion purposes.
- One payment for both Fall and Spring seasons – 1 x \$360
  - (existing) Two payments, one for Fall, one for Spring seasons – 2 x \$200
  - Four (4) payments for both Fall and Spring – 4 x \$400
- Of concern is that the club would have to pay additional credit card fees for every transaction (up to 3%?) thus the additional multiple payments should be higher to cover the additional fees incurred by the club.  
**December Update:** Plan to be implemented for Fall 2014  
**January Update:** Tabled  
**February Update:** Gina will draft a proposal.
- 8) **Travel Team Tryouts for Fall/Spring 2014-2015** – PEC draft of was reviewed and discussed. Board members are requested to send comments/concerns to the PEC Chairman. Draft is attached.  
**December Update:** Reviewed in detail. James will sent some tryout material to the PEC.  
**January Update:** See Tom R's marked up copy sent by email. Tryouts will be held over 2 days if the number of players permit same. Motion by George R to approve Procedures with comments by TR and Tryouts to be held over 2 days if the number of players permit same. 2nd by Jeff S, Vote APPROVED by 10-0-0  
**February Update:** Discussed the process to contact parents after tryouts. Jeff, Mike, Mark volunteered to make phone calls to parents to help the PEC get information out to parents quickly. Will use the HS turf and GA grass fields (example: Week 1 – boys on turf, girls on grass, Week 2 – switch) to provide appropriate sized fields. Discussed tryout week dates (2 from 5/5, 5/12, 5/19).

**IV. New Business:**

Hi Mike,

Thank you for the generous donation. Due to the new state fertilizer regulation we can only use fertilizer with no Phosphorus. I would also recommend CSI seed from National Seed but we will be grateful for any seed that you donate. As of January 1 I have a new position with the PBOE as the Assistant Facilities Manager. Carl Olivi is the new Grounds Foreman. Carl has been on the Grounds Crew for 14 years. He is well aware of our relationship with the Soccer Club and all the support the you have given us in the past years.

 Subject: Re: FW: Piscataway Soccer Travel Tryout Procedures 2014-2015.pdf

Hi Mike,

Thank you to everyone involved in preparing this much clearer description of the tryout procedures.

There is, however, one point that should perhaps be clarified, specifically what is the role of a coach in inviting players to join a team. At what point is a team's coach permitted to contact a player who has been invited to join a team? Should the coach be CCed with the invitation and reply? Can a coach call or otherwise contact the family of a player who has been invited to join but has not yet responded, perhaps just to verify that the invitation has been received? Will a coach's contact information be provided along with the invitation, in case a family has questions, or should all communications go through the Player Selection Committee?

The reason why this comes up is that during last year's invitations, we had some invitations go missing, and we actually had one veteran Piscataway player choose to play with a team from Franklin Township because he mistakenly believed that he had not been offered a spot on the

Piscataway United (U-12). As a coach, I did not get actively involved as early as in hindsight I should have, primarily because I thought I was respecting the proper roles of the Selection Committee. In several player's cases, the problems were resolved without consequences because the players in question were returning to the United (PSC's only U-12 boy's team this year), and they reached out to me as the coach to ask when the invitations were going out, and I knew that they should have been invited a week earlier (although I had not been CCed on the invitations). When we tracked the problems back to their source, they turned out to be a combination of overly-aggressive e-mail spam filters, an mis-transcribed e-mail address (a "zero" that got copied as a capital "O"), and in the case of the player who went to Franklin Township a misunderstood phone conversation (it was a complicated case, and we did not discover what had happened until it was too late to correct). I raise these questions not to retrench what happened last year, but to make sure that we have a clearer approach for this year. Clearly it is the Club that invites players to join a team, and not a coach; the Club organizes teams, and a coach volunteers to help the Club. Moreover, it seems clear that the coach should not be aggressive in trying to influence a player to accept an invitation. However, the volunteers on the Player Selection Committee have a very large job, and e-mail can sometimes be unreliable, so at some point it would seem to make sense to involve Coaches in ensuring that invitations are received.

These seem to me to be issues that do not warrant revision to the very nice document that the Club has just prepared. Instead these are issues that could addressed via instructions to coaches at the team selection meeting. (In all fairness, these issues might all have been addressed at the selection meeting last year - I was away on a business trip. During the key part of the meeting for us I used my cell-phone to call my assistant coach who was there in person, but I might have missed this guidance.) I raise these questions in the hopes that they can help the club to further increase the efficiency of our selection process.

Once again, I would like to express my thanks to all of the volunteers who put the effort into preparing this very clear document.

Sincerely yours,  
 Bob Hallberg  
 Head Coach 2013-2014 PSC United

| 4 | Jeff Sundelof – Wants to run an Instructional Coaches Clinic on Friday March 21 on the Turf  |
| 5 | George Louis-Ferdinand – Discussed a Development program for older recreation players (U13+) to continue training in a group, with hopes that they can join a travel team.   |
| 6 | George Louis-Ferdinand – From the Travel Coach's Meeting, coaches want a 3 ref team for small sided games instead of a single ref. Other towns use 3 refs for U9-U10 games. BH suggested that we send an email to our region's ref assignor and request 3 refs.  |
| 7 | James Watson – Sky Blue plays at Rutgers and wants to get our club involved. The NWSL season is March thru Aug. The Sky Blue coach wants to attend a future board meeting to discuss options.  |
| 8 | PassBack – We will be giving all of the items collected from the tournament to the Philadelphia Inner City soccer club   |
| 9 | Discussed getting back to club sponsored events such as: <ul style="list-style-type: none"> <li>• Picnic (last one held in 200_? At a cost of \$6K?</li> <li>• Movie night</li> <li>• Go see a Sky Blue professional game</li> <li>• Other events that would help provide life lessons to players</li> </ul> |
