

WANTED !!!

We want ANY soccer related gear in the back of your closet or in your garage that you no longer use, and it is in usable conditions!

There will be collection boxes by headquarters tent!

It's exciting that everyone is now returning to our new normal! We are thrilled your club/ team is participating in our tournament. We are hoping that, in that excitement, you remember those less fortunate.

We would appreciate any support you can provide in encouraging your player's families, friends and clubs to donate used soccer equipment and gear.

All donations will be forwarded to the SEND organization. The Sports Equipment Neighborhood Drive (SEND) is a charitable 501(c)3 organization that collects and distributes pre-owned sports equipment to those in need. Founded in 2000.

Their primary donors are the players and families of New Jersey's Soccer Leagues

Equipment has been donated to Afghanistan, Cameroon, Haiti, Kenya, Laos, the Philippines, and several programs across the NY/NJ area including Manhattan, Newark, Paterson, Harlem, the Bronx, and other local families.
