

ALL-STAR SELECTIONS FOR MANAGERS & COACHES

All-Star Managers & Coaches will be reviewed and selected each year by a Board of Directors committee comprised of the League President, Vice-President, Player Agent, League Secretary and VP's of Majors and Minors. League officials in those positions who are also potential candidates for an all-star managerial or coaching position will be replaced by another board member without such a conflict.

A managerial candidate must submit written interest for a position to the league President, designating which level of play they are interested in managing by May 30th. The manager will also submit his coaching roster to the Board for approval by that date. The board recommends that All Star managers select other managers/coaches from the respective age group as his/her All Star coaches. Managers and coaches are eligible for all-star managerial positions although preference will be granted to league managers.

Candidates will be chosen based upon their being a "good citizen" of the league. The following criteria will be a guide for the committee's decision-making:

- Availability for the duration of the tournament
- Sportsmanship of players and coaches on their league team
- Coaching experience, including all-stars
- Coaching commitment, attendance @ practices & games
- Attendance at coaching clinics
- Participation in CPR/1st Aid Training
- Support of league fundraising, especially concession activities
- Enforcement of "Code of Conduct" with players and spectators
- Participation in league-wide activities: Opening & Closing Ceremonies etc.
- Respect for CLL policies & property
- Reporting of any violations of the "Code of Conduct" to the BOD
- Compliance with Little League International rules

As part of the leadership of the league, managers and coaches are expected to participate in league activities noted above.
