

FAST BREAK GENERAL POLICIES

- Players are **NOT** permitted to wear any jewelry of any kind. This includes, but is not limited to: necklaces, bracelets, or earrings (even those that are newly pierced - you **cannot** put a band-aid over them.)
- Players must wear basketball-style sneakers during all games, practices and sessions.
- Players must wear their team uniform shirt to all games - referees have the authority to not allow a child to play if they are not in the proper uniform shirt.
- Only basketball shorts or sweatpants can be worn, no blue jeans allowed.
- Good Sportsmanship - we mandate good sportsmanship at all times. People in the stands can be given a technical foul. We have had teams lose games because of the parents in the stands. Remember that your children mimic your actions.
- The referee's decision is **FINAL**. We also understand that mistakes are made. We have all seen mistakes made by professional referees on television. Reason would tell us that the amateur referees we use can also make mistakes. In the event a rule is interpreted incorrectly, we would like to be notified by the coaches. This will enable Fast Break review and clarify the rule for FUTURE games.
- The Board of Trustees for Fast Break Basketball reserves the right to administer additional penalties after an in-depth review of any situation.

FACILITY USE INFORMATION

- The district has asked our help in providing a peanut free environment for those students who are highly allergic. **Please do not bring anything into the schools containing peanut products.**
- Fast Break is only authorized to use the gym and bathrooms.
- No one is allowed in the classrooms for any reason, or to be found wandering the halls.
- Use of SAAC toys or consuming their snacks is **NOT** permitted.
- Running or playing outside the gym area is **NOT** permitted.
- No food or drink permitted in the schools for any person or reason. The only exceptions are EBHS and Churchill Jr. High School, where the players are permitted to bring in water bottles.
- Observe all children as they walk down the hall to use the bathrooms or water fountains. This will ensure they will not wander in places they are not permitted.
- If any circumstances arise in the schools, whether a Fast Break participant, observer, or another organization, please notify your Coach or Division Director immediately, so they can notify the Fast Break Board. The Board will handle all matters directly with the school/School Administration.

- If the courts need to be cleaned or lunch tables moved, please do so yourselves and notify us, so we can discuss it with the school.
- If you have to move anything off the court or away from the side of the courts, make sure to notify the teams coming in after you, so they can put it back to its original location.
- Folding chairs must be put away after use.
- Fast Break understands that parents want to watch their children play basketball, but it is important that your other children in attendance be fully supervised.
- Custodians are not there to clean up after us. They are there to open and close the schools. The custodians have been instructed to report all issues of non-compliance directly to their respective principals.
- Fast Break will not risk losing any school, and we have ensured the School Administration that we will discipline anyone and everyone that violates their rules. As Fast Break has done in the past, we will suspend and/or expel any player/family/coach from the program that does not adhere to these rules (no refunds will be given).
