

HNLL RAINOUT POLICY:

HNLL will advise our league in the event of a rain out or other changes to scheduled games. **Parents should assume all games will be played as scheduled unless otherwise notified.** Please keep in mind that even if it has rained or is currently raining at your place of residence it does not mean it has/or is raining at our field(s). The HNLC (Heights-Norhill Landscaping Crew) will make every effort to prep the fields to play games as scheduled. A final decision regarding games may not be made until very close to game time. HNLL will maintain communication with the coaches via GroupMe.
