

# Regulation VI

## Pitchers

(a) Any player on a regular season team may pitch. **Exception:** Any player who has played the position of catcher in four (4) or more innings in a game is not eligible to pitch on that calendar day.

**A.R.--The catcher receiving one pitch to a batter in the fourth inning constitutes having caught four (4) innings. Warm-up pitches do not count, only when the ball is live will the pitches count toward innings caught.**

(b) A pitcher once removed from the mound cannot return as a pitcher. **Intermediate (50-70) Division, Junior, Senior, and Big League Divisions only:** A pitcher remaining on defense in the game, but moving to a different position, can return as a pitcher anytime in the remainder of the game, but only once per game.

(c) The manager must remove the pitcher when said pitcher reaches the limit for his/her age group as noted below, but the pitcher may remain in the game at another position

### League Age

|       |                      |
|-------|----------------------|
| 17-18 | 105 pitches per day  |
| 13-16 | 95 pitches per day   |
| 11-12 | 85 pitches per day   |
| 9-10  | 75 pitches per day   |
| 7-8   | 50 pitches per share |

**Exception:** If a pitcher reaches the limit imposed in Regulation VI(c) for his/her league age while facing a batter, the pitcher may continue to pitch until any one of the following conditions occurs:

1. That batter reaches base;
2. That batter is put out;
3. The third out is made to complete the half-inning or the game.

**NOTE: A pitcher who delivers 41 or more pitches in a game cannot play the position of catcher for the remainder of that day.**

(d) Pitchers league age 14 and under must adhere to the following rest requirements:

- If a player pitches 66 or more pitches in a day, four (4) calendar days of rest must be observed.
- If a player pitches 51-65 pitches in a day, three (3) calendar days of rest must be observed.
- If a player pitches 36-50 pitches in a day, two (2) calendar days of rest must be observed.
- If a player pitches 21-35 pitches in a day, one (1) calendar day of rest must be observed.
- If a player pitches 1-20 pitches in a day, no (0) calendar day of rest is required.

**EXCEPTION:** If a pitcher reaches a day(s) of rest threshold while facing a batter, the pitcher may continue to pitch until any one of the following conditions occurs: (1) that batter reaches base; (2) that batter is retired; or (3) the third out is made to complete the half-inning or the game. The pitcher will only be required to observe the calendar day(s) of rest for the threshold he/she reached during that at-bat, provided that pitcher is removed or the game is completed before delivering a pitch to another batter.

**Pitchers league age 15-18 must adhere to the following rest requirements:**

- If a player pitches 76 or more pitches in a day, four (4) calendar days of rest must be observed.
- If a player pitches 61-75 pitches in a day, three (3) calendar days of rest must be observed.
- If a player pitches 46-60 pitches in a day, two (2) calendar days of rest must be observed.
- If a player pitches 31-45 pitches in a day, one (1) calendar day of rest must be observed.
- If a player pitches 1-30 pitches in a day, no (0) calendar day of rest is required.

**EXCEPTION:** If a pitcher reaches a day(s) of rest threshold while facing a batter, the pitcher may continue to pitch until any one of the following conditions occurs: (1) that batter reaches base; (2) that batter is retired; or (3) the third out is made to complete the half-inning or the game. The pitcher will only be required to observe the calendar day(s) of rest for the threshold he/she reached during that at-bat, provided that pitcher is removed or the game is completed before delivering a pitch to another batter.

(e) Each league must designate the scorekeeper or another game official as the official pitch count recorder.

(f) The pitch count recorder must provide the current pitch count for any pitcher when requested by either manager or any umpire. However, the manager is responsible for knowing when his/her pitcher must be removed.

(g) The official pitch count recorder should inform the Umpire-in-Chief when a pitcher has delivered his/her maximum limit of pitches for the game, as noted in Regulation VI(c). The Umpire-in-Chief will inform the pitcher's manager that the pitcher must be removed in accordance with Regulation VI(c). However, the failure by the pitch count recorder to notify the Umpire-in-Chief, and/or the failure of the Umpire-in-Chief to notify the manager, does not relieve the manager of his/her responsibility to remove a pitcher when that pitcher is no longer eligible.

(h) Violation of any section of this regulation can result in protest of the game in which it occurs. Protest shall be made in accordance with Playing Rule 4.19.

(j) A player who has attained the league age of twelve (12) is not eligible to pitch in the Minor League. **(See Regulation V – Selection of Players)**

(k) Pitching in more than one game in a day:

**Minor League, Little League (Majors), and Intermediate (50-70) Division** -- A player may not pitch in more than one game in a day;

**Junior League and Senior League** -- A player may be used as a pitcher in up to two games in a day. **(Exception:** If the player pitched 31 or more pitches in the first game, that player may not pitch in the second game on that day);

**A.R.--If a Junior or Senior League pitcher pitches in more than one game in a day, and has not pitched 31 or more pitches in the first game, the total number of pitches that pitcher may pitch in both games combined is the daily maximum of 95.**

**Big League** -- A player may be used as a pitcher in up to two games in a day.

**NOTES:**

1. The withdrawal of an ineligible pitcher after that pitcher is announced, or after a warm-up pitch is delivered, but before that player has pitched a ball to a batter, shall not be considered a violation. Little League officials are urged to take precautions to prevent protests. When a protest situation is imminent, the potential offender should be notified immediately.

**A.R.--Minor League and Little League (Majors): When warming up, if a pitcher is discovered to be ineligible, he/she must be removed and the previous pitcher of record may not return.**

2. Pitches delivered in games declared "Regulation Tie Games" or "Suspended Games" shall be charged against pitcher's eligibility.
3. In suspended games resumed on another day, the pitchers of record at the time the game was halted may continue to pitch to the extent of their eligibility for that day, provided said pitcher has observed the required days of rest. **EXCEPTION:** In the event that the first inning is not completed, all records including pitching records, batting records, etc. shall be disregarded.

**Example 1:** A league age 12 pitcher delivers 70 pitches in a game on Monday when the game is suspended. The game resumes on the following Thursday. The pitcher is not eligible to pitch in the resumption of the game because he/she has not observed the required days of rest.

**Example 2:** A league age 12 pitcher delivers 70 pitches in a game on Monday when the game is suspended. The game resumes on Saturday. The pitcher is eligible to pitch up to 85 more pitches in the resumption of the game because he/she has observed the required days of rest.

**Example 3:** A league age 12 pitcher delivers 70 pitches in a game on Monday when the game is suspended. The game resumes two weeks later. The pitcher is eligible to pitch up to 85 more pitches in the resumption of the game, provided he/she is eligible based on his/her pitching record during the previous four days.
