Leonard Jones BYSA Director 1991-present, Carver & Bolton H.S. Coach 1986-1995, Bartlett SC Director of Coaching 2005-present

Trainers: Parent volunteers that have been specifically trained to teach the rules and skills of the game.
 Training session for this age is Saturday, March 21, 9:00 a.m. - 10:15 a.m. at the Bartlett Blvd Soccer Park.

Philosophy: The purpose of the BYSA is to provide the community of Bartlett a league for the adults and their children to learn to play the sport of soccer. BYSA will award a trophy to each player at the end of the season.

Goals: (1) Have fun. (2) Learn the rules of the sport. (3) Learn the individual skills. (4) Learn combination play (5) Learn third-man running patterns.

Purpose: We suggest meeting the needs of the child by allowing them to play in an environment that is conducive to their age and social skills. By playing 6-a-side soccer, the children are afforded greater participation. This is brought about through the reduction of players on the field and the reduction of field size. We are able to complicate the environment enough for the players to teach the new objectives without overwhelming them. Because there are fewer players on the field, your child will touch the ball more which in turn will develop his/her skills and enjoyment of the game.

The Teams: The maximum number of players on a 6-a-side team will be twelve.

Practice: All players in the U10 Female group will practice at the same time at the **Appling Soccer Fields** at the end of Flaherty Place by the Bartlett Recreation Center. You should receive information through email instructing you where at the complex to meet the rest of your team. If you have not received information by the first listed date, come to the first practice and we will direct you where to go. The dates and times for practices/matches for the entire season are as follows:
