##### **a) BCYFL Report**

Season is winding down. BCYFL semi-finals this weekend. Mighty Mites season is over, their last game was this past weekend. Mighty Mites did not make playoffs this year. Termites semi-final game is this Saturday at noon vs Aliquippa. Encouraging Mighty Mite kids to come.

##### **b) Organizational Report**

Two weekends ago, we were supposed to have two games in one weekend vs. Brighton Township & Hopewell. Concerns about Hopewell came up at our last meeting regarding the 5 kids testing positive over the weekend. Parents contacted board members with concerns. League president was at our Brighton Township game. The Executive Board discussed with him, he was maybe going to try and reschedule the game. As the day progressed, Quaker Valley had 9 positive cases & shut everything down. Hopewell had some teachers & staff members in all 3 buildings in quarantine. Our Board decided to reach out to parents, a lot said they didn't want to play. Board talked & we supported that decision. Too much unknown & risk. Hopewell wanted nothing to do with rescheduling. We get fined for each game we forfeit. There will be a vote. Even if we have to pay a

fine, we believe we made the right decision. Very proud of the season we've had.

Dan Keener – we did not choose to forfeit, we chose to play another date. We will appeal.

Accepted by Dan Keener & Tricia Cantito

## **2. Cheerleading**

Very happy we were able to have a season for these senior girls at least. The season was very successful & we're sad to see it over. We're ready to start planning for next year. Hopefully we can be back to normal.
