a) BCYFL Report

Met last night. New Brighton & Ambridge out. Beaver Falls questions about using school facilities. Up in air right now. Originally said 2 teams. Hopefully deciding by end of week. Freedom & Rochester only doing Mighty Mites. We're not having a Twerp team this year. Field situation: Riverside Blackhawk, Ellwood City, Aliquippa, Brighton Twp allowing spectators. Ellwood City using Steifle field, Hopewell using Potter/Raccoon (maybe). Season this year has been delayed for 2 weeks because of PIAA pause. First game 9/12. Season will be 6 games. Championship will be 11/7. PIAA will make decision on 21st on moving forward and we decided we will follow what the PIAA and school recommendation is. If they pull the plug, we are going to pull the plug on the season this year. Some teams are moving forward and we feel like the right decision is to follow what our high school does. Some Central Valley Twerps have signed up with other organizations. 5-6 with Brighton Twp. or Hopewell. They are getting to play which is a positive thing. Schedule will not be a normal schedule. We won't have 3 home games, 3 away games. We're going to try as much as possible to play on fields we can have fans at but there may be a case where we have to play at home and we will not have fans.

b) Organizational Report

Volunteer conditioning beginning 8/11, 3 days a week. Mighty Mites 5:30-7pm; Termites 6-7:30pm, will be spaced out and enter/exit at different times. Went over all details at parent meetings. All waivers were signed at meetings. Some parents didn't come we will reach out to make sure waivers are signed. Will go next 2 weeks with conditioning. Depending on PIAA decision on 21st, if they move forward, we will be full pads week of 24th.
